

1	adnexitis - post-inflammatory changes .....	4
2	algodystrophy - Sudeck's syndrome - post surgery .....	5
3	analgesia - acute.....	6
4	analgesia - chronic .....	7
5	arthritis .....	8
6	arthritis - subaqual application.....	9
7	arthrosis - acute.....	10
8	arthrosis - chronic .....	11
9	Bechterew's disease .....	12
10	bursitis - acute .....	13
11	bursitis - chronic.....	14
12	capsulitis - acute.....	15
13	capsulitis - chronic .....	16
14	carpal tunnel syndrome - subaqual .....	17
15	circulation and trophic improvement.....	18
16	contusion - acute.....	19
17	contusion - acute - subaqual application .....	20
18	contusion - chronic .....	21
19	distorsion - acute.....	22
20	distorsion - chronic .....	23
21	distorsion - subaqual application.....	24
22	Dupuytren's contracture .....	25
23	endometritis - post-inflammatory changes .....	26
24	epicondylitis - acute .....	27
25	epicondylitis - chronic.....	28
26	epicondylitis - subaqual application .....	29
27	fibromyalgia .....	30
28	frozen shoulder.....	31
29	haematoma - chronic.....	32
30	haematoma - subacute.....	33
31	heel spur.....	34
32	heel spur - subaqual application .....	35
33	lumbalgia.....	36
34	muscle relaxation .....	37
35	muscle strain .....	38
36	parametritis - post-inflammatory changes .....	39
37	sacralgia .....	40
38	scar .....	41
39	scar - cheloid .....	42
40	swelling reduction .....	43
41	tendinitis - acute .....	44
42	tendinitis - acute - subaqual application .....	45

<b>43</b>	<b>tendinitis - chronic.....</b>	<b>46</b>
<b>44</b>	<b>tendinitis - subacute.....</b>	<b>47</b>
<b>45</b>	<b>tendinitis - subacute - subaqual application .....</b>	<b>48</b>
<b>46</b>	<b>tendovaginitis - acute.....</b>	<b>49</b>
<b>47</b>	<b>tendovaginitis - acute - subaqual application .....</b>	<b>50</b>
<b>48</b>	<b>tendovaginitis - chronic .....</b>	<b>51</b>
<b>49</b>	<b>tendovaginitis - subacute .....</b>	<b>52</b>
<b>50</b>	<b>tendovaginitis - subacute - subaqual application.....</b>	<b>53</b>
<b>51</b>	<b>trigger points - deep .....</b>	<b>54</b>
<b>52</b>	<b>trigger points - superficial .....</b>	<b>55</b>
<b>53</b>	<b>trismus.....</b>	<b>56</b>
<b>54</b>	<b>trochanteritis - acute .....</b>	<b>57</b>
<b>55</b>	<b>trochanteritis - chronic.....</b>	<b>58</b>
<b>56</b>	<b>tubal sterility .....</b>	<b>59</b>
<b>57</b>	<b>vasoneurosis - acrocyanosis and Raynaud's disease .....</b>	<b>60</b>

<b>1</b>	<b>epicondylitis (enthesopathy)</b> .....	<b>3</b>
	combined therapy - ultrasound + TENS.....	3
<b>2</b>	<b>hyperalgesic zone</b> .....	<b>5</b>
	combined therapy - ultrasound + TENS.....	5
<b>3</b>	<b>muscle relaxation - deep</b> .....	<b>6</b>
	combined therapy - ultrasound + 2-pole interference .....	6
<b>4</b>	<b>muscle relaxation - superficial</b> .....	<b>8</b>
	combined therapy - ultrasound + TENS.....	8
<b>5</b>	<b>plantar fasciitis (heel spur)</b> .....	<b>10</b>
	combined therapy - ultrasound + TENS.....	10
<b>6</b>	<b>trigger points - deep</b> .....	<b>11</b>
	combined therapy - ultrasound + 2-pole interference .....	11
<b>7</b>	<b>trigger points - superficial</b> .....	<b>13</b>
	combined therapy - ultrasound + TENS.....	13
<b>8</b>	<b>trismus (temporomandibular joint disorder)</b> .....	<b>15</b>
	combined therapy - ultrasound + TENS.....	15
