2019

BioMaxima S.A. is an European Union-based manufacturer of a wide range of in vitro diagnostic (IVD) products. The company was established in 2002 in Poland and it was listed on the Warsaw Stock Exchange in 2010.

BioMaxima products are CE marked and meet the requirements of EC directive 98/79/EC. Our Quality System is certified to the ISO 9001:2015 and ISO 13485:2016 international standards and quality control is carried out in accordance with ISO 11133:2014.

BioMaxima is focused on continuous growth and development, working internationally through a network of authorised distributors. Wherever BioMaxima products reach, our services and product support follow, meeting the highest standards. We supply international markets including countries of Europe, Asia, Africa and South America.

BioMaxima S.A. est un fabricant européen d'une large gamme de dispositifs de diagnostic in vitro (IVD). La société a été créée en 2002 en Pologne et a été cotée à la Bourse de Varsovie en 2010.

Les produits BioMaxima sont marqués CE et répondent aux exigences de la directive CE 98/79 / CE. Notre système de qualité est certifié selon les normes internationales ISO 9001: 2015 et ISO 13485: 2016, et le contrôle de la qualité est effectué conformément à la norme ISO 11133: 2014.

BioMaxima se concentre sur le développement continu, travaillant à l'international à travers un réseau de distributeurs agréés. Quel que soit la destination de nos produits nous assurons leur entretien et le service après-vente aux standards les plus exigeants. Nous fournissons des marchés internationaux comprenant des pays d'Europe, d'Asie, d'Afrique et d'Amérique du Sud.

Antibiotic discs

Disques antibiogramme

The Antibiotic Paper Discs are manufactured in a modern facility equipped with automated production lines based on the latest technologies. Each delivery is accompanied by a certificate of quality control. The discs are packed in airtight packagings, type of tube or blister with a desiccant. Production is carried out in accordance with Quality Management System ISO 9001 and ISO 13485. The products are registered and CE marked.

Pour la fabrication des disques antibiogrammes nous utilisons une installation moderne équipée des lignes de production automatiques de dernière génération. Chaque livraison est accompagnée d'un certificat de qualité. Les disques sont emballés en paquets étanches à l'air. Les paquets sont de type tube ou blister ayant un agent déshydratant. La production est conforme au Système de Gestion de la Qualité ISO 9001 et ISO 13485. Les produits sont enregistrés et marqués CE.
