LETTER OF AUTHORIZATION

Whereas Sysmex Europe GmbH ("**Systemex**"),

who are established, reputable and authorized representative in Europe, Africa and Middle East (EMEA region), officially announced by the manufacturer Sysmex Corporation, having its principal place of business at 1-5-1 Wakinohama-Kaigandoori, Chuo-ku, Kobe 651-0073, Japan, and have the power to grant authorizations to local representatives within the above mentioned markets, do hereby declare that the company

UAB Roche Lietuva

J. Jasinskio str. 16B, 4th floor, 03163 Vilnius, Lithuania.
(the "**COMPANY**")

as our distributor in the territory of the Baltic countries

Lithuania, Latvia and Estonia
(the "**TERRITORY**")

for the following Sysmex products

Sysmex Haematology Analysers with
Reagents, Accessories, Software and spare parts
(the "**Products**")

The **Company** is therefore authorized to carry out all commercial and support activities for the **Products** including sales, marketing, application, registration and field service support in the **Territory**. The **Company** is aware that this special authorization is limited to the products listed above and does not create any further rights for the **Company**.

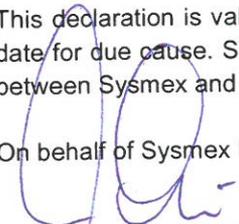

We hereby grant our warranty following our general conditions of sale for the products delivered, consisting and limited to:

Free of charge supply of spare parts to the Company as replacement for defective new parts for a period of 14 months after B/L – AWB date.

This declaration is valid until 31.03.2019 and may be revoked unilaterally by Sysmex in writing before that date for due cause. Such due cause includes the termination or expiration of the distributorship relationship between Sysmex and the Company.
