

CREATION 70 is a synthetic, decorative, flexible, antistatic abrasion group T floorcoverings available in tile or plank, with beveled edges. It consists in a 0.7 mm thick transparent wear layer, a design film and a Resilient Comfort Core to provide softness and comfort surface. The overall thickness is 2.5 mm.

It benefits from a cross-linked polyurethane surface treatment (PUR+ MATT), making maintenance easier and eliminating the need for initial polishes.

CREATION 70 is a glued floorcovering, resistant to use (residential / commercial use) of 34 / 43 according to EN-ISO 10874 and has Bfl -s1 class for smoke emission according to EN 13501-1.

CREATION 70 is made with phthalate free plasticizers, except recycled content. It is 100% recyclable and made with 35% of recycled content. It is 100% compliant with REACH. The product emission rate of organic compounds is < 10µg/m³ (TVOC <28 days – ISO 16000-6).
