GAMINTOJO INTERNATIONAL FARMATEUCICA, ATRAMAT PATVIRTINIMAS

To whom it may concern,

We, International Farmacéutica S.A. de C.V., legally established and addressed in Carreteraco No. 44 Col. Parque San Andres, Coyoacan C.P. 04040 Ciudad de Mexico, Mexico, we hereby confirm you that our needles are made of 300 series steel medical grade, according to the standard ASTM F899.

The 300 stainless steels series combine high bending resistance with high ductility that gives excellent mechanical performances for needles application.

Please feel free to contact us in case you need any further information at customer.care@atramat.com

Best regards,

Cathy Jimenez

EMEA and Asia Sales Manager
