Painting

Chassis black-grey IC 444 (similar RAL 7021)
Rims silvergrey IC 118
Driver cabin red RAL 3000
Mudguard, bumper white RAL 9010

Further extensive chassis equipment

4-wheel parking brake
Differential lock on the rear axle
Steel bumper bar
Without rear underride guard
Wheel shock, 2 pieces
Can bus interface
Passenger comfort bench seat
PTO
Eberspächer Airtronic heater
Air dryer heatable
Exhaust pipe left side
Front underride barrier
Warning triangle
Cruise Control
Electric battery separator tray
Splash guard in wheel house
Mirror for body width 2600mm
Rear view, heated and electrically adjustable
Lean Departure Warning System LDWS
Speedometer
Vehicle tool
Heated fuel pre-filter
Euro 6e without Regulation
Without seatbelt reminder
2 batteries each 12V, 143 Ah
Warning light
Fuel tank 140 L
ADblue 30 L
First aid kit
Generator 28V, 120A (3.360 W)
Air compressor 360 ccm
Speed limit 96 km/h
Voltage transformer 12/24V-10,5 Ampere
Fog lights
Noise CEE 92/97
Driver pneumatic seat
Head cushion driver/co-driver
Antipollen filter
Fuel prefilter with water separator heated
Entrance steps in white
Car-jack
Cab for radio function
Central lock
Urea Tank heated
ABS+ASR+ESP
