Box 104 Institute of the International Association for Research and Testing
SE-431 22 Mölndal in the Field of Textile Ecology

The company

Nostra UAB

Sausių G, 44, Sausių K

21401 Trakų Rajono Savivaldybe, LITHUANIA

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report **16-25990-1**

Tested for harmful substances

according to Oeko-Tex® Standard 100

SE 09-1762

Swerea IVF

for the following articles:

Woven fabrics made of cotton, polyester and cotton/polyester, bleached, dyed and printed.

(Based on material already certified according to OEKO-TEX® Standard 100.)

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 02.07.2017

Mölndal, 23.06.2016
