

## Mobilette® Healthguard

Modular Trolley for Hygienic and Ergonomic Cleaning in the Healthcare Business

# Mobilette® Healthguard

The combination of our Rasant® system and Mobilette® Healthguard supports the latest impregnation methods in professional hospital cleaning. The trolley is divided in a “hygienic side” for clean mops and wipes and an “unhygienic side” with two section for separating waste and dirty textiles (Rasant® mops and polifix® cloths). Easy to use and safe for your operators.
