Dear  
thank you for your email.

Regarding your request please see attached the IFU of this requested product.  
The product has a maximum shelf-life of 77 days from the date of donation, so allowing for manufacture and delivery, the end-user can normally expect approximately 6 weeks from receipt to expiry, depending on delivery schedules.

Dear All,

We are distributors of QuidelOrtho products in Lithuania and we are considering using your product.

But for us is very important to find out more information about this product

Could you please give us information about the shelf life of the product and stability of this product after opening?
