

11 Spare parts list with order numbers

Description	Art. No.
Nebulizing chamber (sterilizable) with ultrasonic module	3233
Spare ultrasonic module with quartz platelet, threaded	51207
Lid for nebulizing chamber with build in float system	3251
Lid for nebulizing chamber, without float system, used together with medication cup	3248
Medication cups (disposable), 10 units per packaging unit	3249
Gasket for medication cup (sterilizable)	3250
Silicone cone for lid of nebulizing chamber (sterilizable)	3229
T-piece, white plastic (disposable), 10 units per packaging unit	3020
Mouthpiece, white plastic (disposable), 10 units per packaging unit	3277
Aerosol mask for adults (disposable), 10 units per packaging unit	3010
Aerosol mask for children (disposable), 10 units per packaging unit	3011
Bacteria filter (disposable), 10 units per packaging unit	3213
Rough air filter for control unit Ultrasonic 2000, 10 units per packaging unit	3212
Lid of fan housing	3239
Intake tube, silicone, Ø x length = 22 x 300 mm (sterilizable)	3220
Spiral tube with silicone sleeves, Ø x length = 22 x 300 mm (sterilizable)	3218
Spiral tube with silicone sleeves, Ø x length = 22 x 600 mm (sterilizable)	3209
Spiral tube with silicone sleeves, Ø x length = 22 x 900 mm (sterilizable)	3219
Spiral tube with silicone sleeves, Ø x length = 22 x 1200 mm (sterilizable)	3199
Heated spiral tube with silicone sleeves, Ø x length = 22 x 600 mm (sterilizable)	3268
Heated spiral tube with silicone sleeves, Ø x length = 22 x 1200 mm (sterilizable)	3269
Connection piece for air tubes	3024

12 Information on disposal

When disposing of the device, parts and accessories, the regulations prescribed by law must be observed.

Devices may not be disposed of with household waste!

Regarding the protection of our environment devices that have reached the end of their service life can be returned to the seller or the manufacturer. Please observe currently valid national disposal regulations.

Contaminated single use items are subject to specific disposal requirements. Please observe currently valid national disposal regulation for infectious waste.
