

**Eliminate™ components**

-  x2 Locking syringes 30 ml polycarbonate
-  x1 Extension line with 2-way stopcock
-  x1 Flushing tool
-  x2 Filter baskets 70 µm

**Ordering information**

**Eliminate™ with stylet**

- 6Fr (I.D. ≥ 0.70 inch / 1.78 mm) EG1602
- 7Fr (I.D. ≥ 0.80 inch / 2.03 mm) EG1652

**Product specifications**

- Tip length 6 mm
- Coating Hydrophilic
- Rapid exchange segment 23 cm
- Radiopaque marker band 1 mm located at 4 mm from the tip
- Positioning marks 10 cm = single white mark located at 90 cm from distal tip
- Wire compatibility 0.014" (0.35 mm)
- Catheter length 140 cm

▶ The deliverable solution for thrombus removal ◀

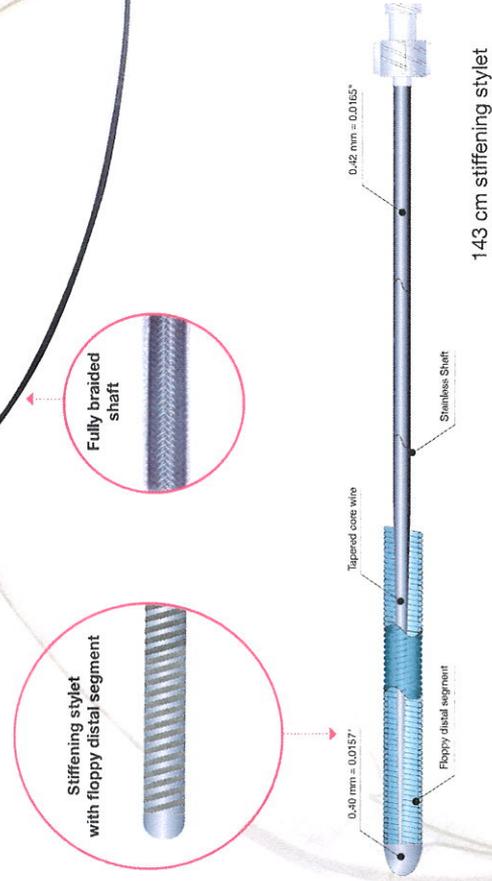

## The deliverable solution for thrombus removal

Eliminate™ is an innovative aspiration catheter designed to offer an optimal balance between crossing performance, kink resistance and thrombo-aspiration capability

### >>> Deliverability

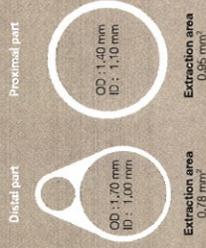

Eliminate's innovative technology provides improved deliverability and kink resistance

- Pre-loaded stylet provides improved pushability and ensures optimal crossability in difficult to cross scenarios
- Fully braided shaft construction for improved kink resistance of the catheter
- 23 cm long rapid exchange segment provides improved trackability
- Hydrophilic coating facilitates easy navigation through tortuous anatomies

ELIMINATE™  
ASPIRATION CATHETER

#### 6 Fr guide catheter compatibility

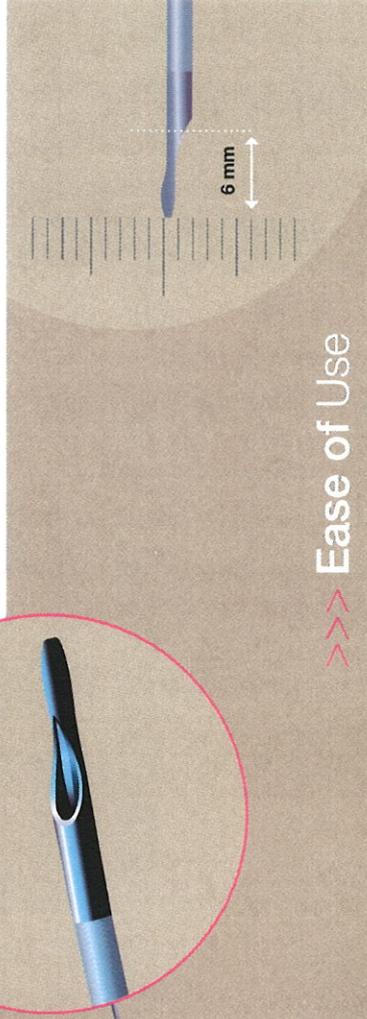

#### 7 Fr guide catheter compatibility

### >>> Aspiration Capability

Advanced technology provides enhanced aspiration

- Large extraction lumen and the braided shaft construction ensures constant aspiration performance throughout the procedure
- Rounded and short tip design preserves crossability, while providing safe and effective aspiration
- A choice of 2 sizes (6 Fr or 7 Fr guide catheter compatibility) to meet different clinical scenarios

### >>> Ease of Use

Single-handed operator

- Short and thin distal radiopaque marker provides an excellent distal visualization and increases distal flexibility
- Complete kit contains:
  - 30 ml locking syringes
  - Extension line (25 cm) with 2 way stopcock
  - Filters basket
