### Size

|                                  |        |
|----------------------------------|--------|
| Sample volume                    | 10 ml  |
| Diameter                         | 15 mm  |
| Length including cap             | 117 mm |
| Length excluding cap             | 102 mm |
| Length including cap and plunger | 127 mm |

### Material & colours

|                         |                                   |
|-------------------------|-----------------------------------|
| Product material        | Polypropylene (PP)                |
| Colour of product       | transparent                       |
| Cap material            | High Density Polyethylene (HD-PE) |
| Colour of cap           | green                             |
| Tube material           | Polypropylene (PP)                |
| Piston material         | High Density Polyethylene (HD-PE) |
| Piston plunger material | Polystyrene (PS)                  |

### Purity & certification

|                           |                      |
|---------------------------|----------------------|
| Satisfies the requirement | IATA, ADR            |
| Product category          | IVD product          |
| CE certified              | CE                   |
| Purity standard           | sterile              |
| Sterilisation             | Electron irradiation |
| Safety data sheet         | ja                   |
| Batched                   | yes                  |

### Packaging

|                         |         |
|-------------------------|---------|
| Minimum order qty.      | 500     |
| Type of inner packaging | blister |
| Piece(s) / inner box    | 100     |
| Piece(s) / case         | 500     |
| Piece(s) / pallet       | 13500   |
| Depth of box            | 351 mm  |
| Width of box            | 151 mm  |
| Height of box           | 171 mm  |
| Depth of case           | 778 mm  |
| Width of case           | 368 mm  |
