

Standard In-line with pre-chamber

- 82-3100 Valve System**
 1 valve
 1 ventricular catheter 14cm, silicone with stainless steel stylet
 1 distal catheter 120cm, silicone
 1 valve introducer
 1 right angled adaptor, plastic
 1 connector, titanium

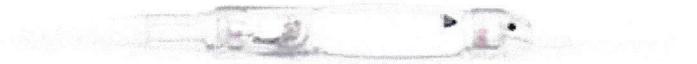

- pod. 17.1*
82-3111 Valve System Unitised
 1 valve
 1 ventricular catheter 14cm, silicone with stainless steel stylet
 1 distal catheter 120cm, silicone
 1 valve introducer
 1 right angled adaptor, plastic
 1 connector, titanium

- 82-3110 Valve only**
 1 valve
 1 straight connector, titanium
 1 introducer, plastic

Standard In-line without pre-chamber

- 82-3101 Valve System**
 1 valve
 1 ventricular catheter 14cm, silicone with stainless steel stylet
 1 distal catheter 120cm, silicone
 1 valve introducer
 1 right angled adaptor, plastic
 1 connector, titanium

- 82-3115 Valve only**
 1 valve
 1 straight connector, titanium
 1 introducer, plastic

- NS5034 Valve only - Special**
 1 valve with integrated connectors
 1 introducer, plastic
