1 corrugated cardboard box (cellulose):

REF	pieces	bags
12075, 12078	5.000	50
12081	2.500	25
12064, 12084, 12067	2.000	20
12070, 12072	1.000	10
REF	pieces	folding boxes
14946	17.500	175

3. Manufacture

Vliwasoft® Nonwoven Wound Dressings are produced according to specification in hygienic conditions, packed as described in their relevant packaging specification.

4. Description

White all-purpose dressing, folded in 4 or 6 layers, available in various sizes.

5. Properties

Vliwasoft® non-woven dressings are soft, non-fraying all-purpose dressings with fine pores and a good absorption capacity.

The nonwoven wound dressings meet the requirements of EN 14079.

If required, they may be sterilized by steam, irradiation, or ethylene oxide in compliance with DIN EN ISO 17665-1, DIN EN ISO 11137 part 1-3 or, respectively, DIN EN ISO 11135-1.

6. Intended purpose

Vliwasoft® Nonwoven Wound Dressings are intended for wound care and for wound cleansing.

7. Medical device classification

Vliwasoft® Nonwoven Wound Dressings are medical devices of Class I in terms of Rule 4.

(Council Directive 93/42/EEC concerning medical devices, Annex IX)

8. Biological evaluation and biocompatibility (DIN EN ISO 10993)

The starting materials used in the manufacture of Vliwasoft® Nonwoven Wound Dressings are safe if the product is used appropriately.

The purpose of this documentation and the statements made therein is to show that there is no risk involved in the use of the medical device Vliwasoft® Nonwoven Wound Dressings and that they are designed, manufactured and packaged in such a way that they will not compromise the clinical condition or the safety of patients, or the safety and health of users and other persons when used under the conditions and for the purposes intended.

9. Stability

Stored appropriately Vliwasoft® Nonwoven Wound Dressings have a shelf life of 5 years.

10. Disposal

The user is advised to observe current national legislation, norms and guidelines, regulating the disposal of medical refuse.
Packaging materials must also be disposed of in compliance with applicable national requirements.
