Subject: Intercept - Approval of Final Report and Payment Distribution

Dear all,

I hope this email finds you well.

We are pleased to inform you that the final report for the Intercept Project has been approved by the FO, and the project is now successfully concluded.

Jobsplus has received the funds and distributed them to the partners as outlined in the attached document. You should receive the payment in the coming days.

Please note that the FO has deducted the total pre-financing amount from the final payment. As a result, Jobsplus has adjusted and disbursed the entitled final payment to the partners for this report, after offsetting the remaining 3rd pre-financing amount accordingly.

Final budget utilisation-related information has been uploaded to Basecamp and can be accessed [here](#).

We would like to extend our gratitude to all of you for your collaboration and efforts in making this project a success.

Best regards,

Senior Executive | PROJECTS, DESIGN AND MANAGEMENT
