Subject: Certificate of satisfactory completion

Ref.: “Study supporting the assessment of EU Missions, the review of mission areas and the analysis of EU Missions’ portfolio of instruments and actions – RTD/2022/SC/022”. Implementing framework contract N° 2018/RTD/A2/OP/PP-07001-2018 - Lot 3 - Studying, assessing and evaluating research and innovation programmes and policies (SARI)

Dear Madam or Sir,

I hereby confirm on behalf of the DIRECTORATE-GENERAL FOR RESEARCH & INNOVATION that Ecorys was awarded the above-mentioned contract. The assignment was led by EFIS in collaboration with the Framework Contract partner Visionary Analytics, as well as subcontractors: Copernicus Institute of Sustainable Development of Utrecht University, the Austrian Institute for SME Research (KMFA) and other, individual subcontractors.

This contract was signed on 21/11/2022 for a period of 28 weeks.

The awarded amount was €287 500.00.

The assignment was executed according to the contractual terms. It was completed on time, with efficacy and satisfactory performance.

This document was produced upon the request of the contractor.

Electronically signed

Deputy Head of Unit
