**READ CAREFULLY:** Please read the following Contract Rules and Regulations. By submitting the Contract to the Space Foundation, the Exhibitor agrees to all terms and conditions, including, but not limited to, the following Rules and Regulations. It is the responsibility of the Exhibitor to be thoroughly familiar with the Rules and Regulations and to ensure that each member of the organization attending the Symposium complies with these Rules and Regulations.
- 8.1. CONTRACT FOR EXHIBIT SPACE:** The application for space constitutes a contract for the right to use the space. By submitting an application for exhibit space, the applicant releases Space Foundation, the Broadmoor Hotel, and official show contractors from any liabilities to the applicant, its agents, licensees, or employees that may arise or be asserted as a result of the submission of an application or participation in this exhibit. Upon confirmation by the Space Foundation of receipt of full payment and assignment of exhibit space to the Exhibitor, the Space Foundation shall make available to the Exhibitor the assigned space for the duration of the Symposium (the "Term"). Acceptance of an application does not imply endorsement by Space Foundation of the applicant's products, nor does rejection imply a lack of merit of product or manufacturer. Space Foundation has the sole right to determine the eligibility of any company or product for inclusion in the Space Symposium and retains the right to rescind the Contract within 30 days of receipt if the exhibit is deemed to be contrary to the best interests of the Space Symposium. Subject to Section 8.32, the Space Foundation shall be released from its obligations under this Contract if the Symposium is canceled due to causes beyond its control or for the safety of the attendees. Examples of such causes include (a) events or threats of terrorism, (b) acts of the Government in its sovereign or contractual capacity, (c) fires, (d) floods, (e) epidemics and pandemics, (f) quarantine restrictions, (g) strikes, (h) freight embargoes, and (i) unusually severe weather and other acts of nature.
- 8.2 SPACE ASSIGNMENT AND ATTENDEES:** The Space Foundation will attempt to accommodate Exhibitor Requests for specific exhibit space; however, no guarantees can be made that the Exhibitor will be assigned the specific exhibit space requested. Exhibitor acknowledges that this Contract is not issued for specific exhibit space but rather for the right to participate as an exhibitor at the Space Symposium. To reserve exhibit space for the Symposium, the Exhibitor must return the signed Contract to the Space Foundation. Exhibit space is not guaranteed until the Space Foundation confirms, in writing, receipt of the required payments and assigns exhibit space to the Exhibitor. Exhibit space will be assigned according to the Priority Point System.
- 8.3. PRIORITY EXHIBIT SPACE ASSIGNMENT POINT SYSTEM:** Exhibitors will be assigned booth locations per the following point system:
- A. An exhibitor earns 1 point for each year exhibiting at the Symposium.
  - B. An exhibitor can earn more points through annual sponsorships: A sponsor exhibitor will receive 1 point for every \$5,000 Symposium sponsorship dollars contributed that year. For example, a \$50,000 sponsorship will earn 10 points, and a \$49,000 sponsorship will earn 9 points.
  - C. An exhibitor can earn points for each annual corporate membership: Diamond Member-16 points; Platinum Member-14 points; Sustaining Member-12 points; Partner-10 points; Patron-5 points, Small Business-5 points.
  - D. If two exhibitors with equal points request the same exhibit space, the assignment will be made according to the date the deposits were received. The Space Foundation will make every reasonable effort to accommodate exhibit location requests.
  - E. If an exhibitor skips a year of exhibiting, there is no penalty. The points remain the same. Note that if a year is skipped, the location currently designated to the company is open to another company for that year. Any exhibitor with enough points will be free to reserve the exhibit space during a company's hiatus.
  - F. Downsizing: If an exhibitor reduces booth size by more than 50% of the previous year's size, the gain is only half a point the year of exhibiting. There is no penalty if downsizing is less than 50% of the previous year's size.
  - G. If an exhibitor skips exhibiting for two years, they forfeit 50% of the total points accumulated or 1 point, whichever is greater.
  - H. If an exhibitor skips exhibiting for three years, they forfeit all accumulated points and must start over.
  - I. **Due to Security issues, all Exhibitors must wear the Space Symposium-issued lanyards. If an exhibitor or any member of the exhibitor's company does not wear their Space Symposium-issued lanyard, the exhibiting company will be penalized by forfeiting 50% of the company's priority points and will be escorted off the premises by security and not allowed to return.**
  - J. Badge Swapping is NOT permitted. If an exhibitor or any representative of the exhibitor company switches Space Symposium badges, and/or gives their badge to another attendee to gain access to the Exhibit Center, the exhibiting company will be penalized by forfeiting 50% of that company's priority points, and both guilty parties escorted off the premises and not allowed to return.
  - K. If an exhibitor begins tearing down their booth or leaves their booth unattended before 5:00 pm on Thursday, before the hall closes, the exhibiting company will be fined \$2,500 and penalized by forfeiting 50% of that exhibiting company's priority points and in jeopardy of not being allowed back the following year. This activity will also affect the exhibitor's booth placement for the following years.
- 8.4 USE OF EXHIBIT SPACE:** No Exhibitor may sublet, assign, or apportion any part of the space allotted or represent, advertise, or distribute literature for the products or services of any other firm or individual except as approved in writing by Space Foundation.
- 8.5 RESTRICTIONS:** The Space Foundation reserves the right to restrict exhibits due to noise, lights, method of operation, or any other reason, become objectionable or otherwise detract from or are out of keeping with the character of the Space Symposium as a whole. It may forfeit installation or request removal or discontinuation of any exhibit or promotion which, if continued, departs substantially from the description given advance approval. In the event of such restrictions or evictions, the Space Foundation is not liable for any refund of rental or other expenses. All booths with a 'backlit' wall must provide a cover to avoid light shining into the exhibit booth located behind their booth.
- 8.6 EXHIBITOR ACCESS DURING NON-SHOW HOURS:** Booth representatives will be permitted to enter the exhibit hall two hours before the scheduled opening time each day of the Space Symposium unless written permission from the Space Foundation and will be allowed to remain in the exhibit hall up to 15 minutes after the closing hour each night. **No scheduled meetings will be permitted in the Exhibit Center after the Exhibit Center closes.** Refer to the posted hours for reference.
- 8.7 PAYMENT FOR EXHIBIT SPACE:** In the event the Exhibitor fails to fulfill its obligations under the Contract, or Exhibitor withdraws its exhibit from the Symposium, the Space Foundation shall retain all monies paid by the Exhibitor. The Space Foundation reserves the right to change the program and location of exhibit booths to maximize the usable space and hours of the exhibition.
- 8.8 EXHIBITOR SERVICES MANUAL:** The Freeman Company, herein known as the Show Decorator, will provide to the Space Foundation an Exhibitor Service packet that will serve as the Exhibitor Kit (Exhibitor Services Manual), containing information and order forms required for the setup, display, and tear-down of exhibit booths.
