REACH REGULATION

(EC n° 1907/2006 – EU 2020/878 - Substances classified as SVHC)

Dear Client,

in accordance with art. 59 par. 10 of the REACH regulation, according to the latest update of the ECHA list (January 21, 2025), concerning the list of substances of very high concern candidate for authorization (Candidate List), BRADO S.p.A., at the current state of knowledge, based on the safety data sheets and the REACH declarations received from its suppliers, CONFIRM, that the plastic products used for the molding of own components DO NOT CONTAIN, neither as raw material nor as intentionally added additives, substances classified as "SVHC (substances of very high concern) in quantities greater than expected.

Lists and documents are available on the ECHA website: <https://echa.europa.eu/candidate-list-table>

Best regards,

Brado S.p.A.
