

DECLARATION ON THE SUPPLIER'S RESPONSIBLE PERSONS

Depending on the management or supervisory body established in the legal entity (the supplier's company), the supplier must, in accordance with Article 46(1) of the Law on Public Procurement, provide information regarding its responsible persons — members and participants — or indicate that no such bodies or participants exist.

If persons are indicated in this declaration as being part of the supplier's company, and the supplier's offer is recognised as the potentially winning tender, the supplier must submit the relevant documents specified in clause 3.3 of the procurement conditions, confirming the absence of grounds for exclusion in respect of the persons indicated in the declaration.

I, Roland Petek, COO

(Title, name, and surname of the Supplier's manager or authorised representative)
