

Electrical Table ET01

Elektrinis Staliukas ET01

TABLE ET01

Technical information

Aukštis

Height (without table top)

Min 67 cm, max 92 cm, stroke 25 cm. Min. 67 cm, maks. 92 cm, kėlimo eiga 25 cm.

Width (without table top)

62 cm

Depth (without table top)

38 cm

Width (ET01P)

91 cm

Depth (ET01P)

63 cm

Lifting capacity

Max 120 kg

Height adjustment mechanism

Electromechanical Elektromechaninis aukščio reguliavimo mechanizmas

Height adjustment control

1. Up/down switches.
2. Wired remote control

Power supply voltage/frequency

~220-240 V 50/60 Hz

Additional sockets for power supply to instruments

1-3 (on request)

WALL COLUMN

Technical information

Height of column	180 cm
Adjustable legs	2-8 cm
Width without table top	26.9 cm
Lowest position of table top	63.5 cm
Highest position of table top	135.5 cm
Elevation	72 cm
Lifting capacity	40 kg
Power supply voltage/ frequency	~220-240V 50/60Hz
Sockets for instruments	2 pcs
