To Whom It May Concern:

This letter is to formally confirm that SIA Arbor Medical Korporacija is the exclusive authorized distributor for Stereotaxis, Inc. in Lithuania and Latvia.

As such, SIA Arbor Medical Korporacija is the only entity in Lithuania and Latvia authorized to supply, install, and provide post-sale service for the Niobe Robotic Magnetic Navigation (RMN) System (also known as the Niobe Robotic Platform) and the Genesis Robotic Magnetic Navigation (RMN) System (also known as the Genesis Robotic Platform). The Platforms include the magnetically compatible, NEUSOFT MODEL NeuAngio 30F imaging system, as well as a proprietary comprehensive visualization and data integration tool. Stereotaxis serves as a distributor, in Europe, for the NEUSOFT product line and has engaged with SIA Arbor Medical Cooperation as a sub distributor for that purpose.

Along with the authorization to distribute the NEUSOFT product line, in Europe, Stereotaxis has partnered with Osypka AG, in Germany, to distribute and sell the MAGiC family of catheters and cables and hereby authorizes SIA Arbor Medical Cooperation as a sub distributor for that same purpose.

Stereotaxis recognizes SIA Arbor Medical Korporacija as a trusted partner with the necessary training, expertise, and infrastructure to support the successful implementation and ongoing support of our advanced robotic technology in the Lithuanian and Latvian markets. Stereotaxis is supporting Arbor Medical Korporacija with installation, training and after sales technical support.

Should you require any further information, please do not hesitate to contact me directly.
