

# Technical sheet

## Eosin in Alcoholic Solution

Code product: **312720**

### Specifications:

- **Appearance:**
- **Absorption Maximum in Methanol:**
- **pH:**

Clear greenish Solution  
 $522 \text{ nm} \leq \lambda \leq 528 \text{ nm}$   
7.0 - 9.0

### Applications:

#### **Histo-Cytology:**

used in routine staining with Haemalum-Eosin (H.E.) or Haemalum-Eosin-Saffron (H.E.S.) for bi- or trichromic staining of tissues.
