Regarding GSD8 meters for AB "KLAIPĖDOS VANDUO" tender

Hereby we confirm that the GSD8 water meters to be supplied to AB "KLAIPĖDOS VANDUO" both, I and II, parts of the tender do comply with the requirements of the following technical specifications:

I and II part, technical specification point 8 - *The meters must have the metrological verification marking of the current year (valid for 6 years). The meters to be supplied to both, I and II, parts of the tender will have the primary metrological verification of the current year.*

I and II part, technical specification point 9 - *On the upper part of the carton box there must be a product EAN code (EAN format – 3/9). The following data must be encrypted in the EAN code in the following order: serial number; verification sticker number (constant code EU000000000 (10 symbols in total)); verification date YYMMDD; type; diameter; length; to be measured water temperature.*

Best regards,

Mr. Marco Budai

CEO
