Your inquiry: MONA-Drohne and MIRA for RADIS

Dear Olga,

We thank you for your inquiry concerning our drone-based spectroscopy monitoring station MONA-Drone and gamma dose rate monitoring station MIRA.

ENVINET GmbH is pleased to provide a quote to Radiation Protection Centre.

Pos	Item Description	Qty	Unit	Price EUR	Discount	Value EUR
1	XYZ-999 MONA-Drone	1	PCS	42.300,00		42.300,00

- detector CsI 2"
- LTE communication
- drone DJI Matrice 350 RTK, incl. transport case and remote control
- additional video camera H30
- 4 batteries 5880 mAh/44,76 V for the drone
- 2 batteries 4920 mAh/7,6 V for the remote control
- charging station
- 2 spare propellers for the drone
- carrying strap for the remote control
- test source adapter for SARA Test Set
- rugged laptop

2	 MIRA-100-L4-BG MIRA - Gamma Dose Rate Monitoring Station (LAN-LTE-GPS-BATT)	3	PCS	9.910,00	17,00%	24.675,90
---	---	---	-----	----------	--------	-----------

Configuration LAN-LTE-GPS-BATT

- Detection range: 10 nSv/h - 10 Sv/h H*(10)
- 1 low-dose- and 1 high-dose-GM-tube
- Operating temperature: -40°C - +60°C
- Diameter: 60 mm

Commercial Conditions

Prices

Our prices are expressed in Euro (EUR) and are quoted CIP Vilnius, Lithuania according to INCOTERMS 2020. The prices are to be understood NET (exclusive VAT) including standard packing. Not included in our prices are customs, fees and other duties and taxes.

Delivery

Delivery of goods is within 6 months from the date of receiving and accepting the order and receipt of export approval, not earlier however than 6 weeks after receipt of items which need to be provided by the Customer.

Terms of Payment

The total contract price shall be paid against commercial invoice after order acknowledgement within 10 days after date of invoice.

Terms of Contract

This offer is subject to our general terms and conditions. Our GTCs are available on our homepage https://envinet.com/images/AGB_EN.pdf for review and download.

Warranty

Period of warranty is 12 months from the date of shipment of goods.

Any defective parts shall (after agreement with ENVINET) be returned to ENVINET at Customer's liability and cost. ENVINET shall repair or substitute defective parts on its own charge. The warranty period covering the parts repaired or replaced cannot exceed the date of expiration of the original warranty covering the parts in question.

Warranty on application software is fulfilled through the software remote service line. The customer has to provide the remote access capability.

Warranty does not apply in the following cases:

- operation of the system outside the specified technical and/or environmental parameters
- improper operation and/or handling
- theft, vandalism
- force majeure.

In these cases, ENVINET is ready to replace and/or repair by invoicing material and goods.

The warranty ceases once and forever, if changes, replacements or any other modifications are made by any other party without ENVINET's prior written consent.

Warranty of computer products is fulfilled by the local subsidiary of the computer manufacturer under the computer manufacturer's conditions.

Dual Use

Please note that the offer includes equipment, which is a dual-use good according to the COUNCIL REGULATION (EC) No 428/2009 of 5 May 2009 setting up a Community regime for the control of exports, transfer, brokering and transit of dual-use items.

The good is listed under item **1A004C2** / Annex I to EC Regulation No. 428/2009 and/or Part I of the Export List, Annex AL to the Foreign Trade and Payments Regulation.

This means, the goods are subject to export control and may not be transferred to a country outside the EU without an export licence.

For delivery approval, we need the signed delivery note as acknowledgement of receipt from the recipient as well as from the end-user in case of onward delivery.

Liability

Any liability of the ENVINET GmbH resulting from or in connection with this document, no matter on which legal theory, is limited to the total amount of the final contract.

The above limitation of liability shall not apply in the event applicable law requires an unlimited liability which may be the case for, but is not limited to

- willful misconduct or gross negligence by ENVINET; or
- a breach of an agreed guarantee (only if explicitly so named in this agreement); or
- a breach of a of a cardinal obligation; meaning a breach of such an essential and important obligation by ENVINET, the fulfillment of which is necessary for the customer to achieve its objectives to be accomplished with the conclusion of this agreement, and in which the customer trusted and may have trusted;
- damages on the basis of product liability laws for bodily injury and/or property damages, which occurred by use of a defective product; or
- damages resulting from bodily injuries (including death) or impairment of health.

The liability of ENVINET is excluded for any indirect, incidental, consequential, punitive or exemplary damages such as, but not limited to, loss of business, loss of data, loss of profit or savings or any other economic loss, except in the event of willful misconduct or gross negligence.

Others

This offer is the property of the ENVINET GmbH. Due to competitive reasons, distribution of the technical and financial information contained in this offer – also parts of it – to non-operating persons (“third parties”) requires our approval.

The offered goods are subject to export approval of the German Federal Office of Economics and Export Control.

We hope that this offer will find your interest.

For any questions, please do not hesitate to contact
