AVEA® ventilator products

AVEA accessories

16465
AVEA neonatal hotwire flow sensor
Reusable, each

50000-40035
AVEA water trap for expiratory system
Reusable, each

33985
AVEA water trap bottle for expiratory system
Reusable, each

51000-40640
AVEA removable exhalation cartridge
Reusable, each

33987
AVEA bacterial filter
Reusable, each

22095
AVEA water trap adapter replacement
Reusable, each

51000-02736
Legacy "Bear" circuit support hanger
Each

69300A Circuit support arm with side rail mount bracket (PN 09526)

69300 Circuit support arm without side rail mount bracket (PN 09526)

09526
Side rail mount bracket

34403
Circuit support arm (PN 69300) circuit holder
Pack of 3

15619
Nurse call cable open

15620
Nurse call cable closed

33915
AVEA filter, guard assembly cooling fan
Each

71670
AVEA fan filter
Pack of 5

68289
Sensor, oxygen with connector

11938
Aeroneb nebulizer stand mounting kit
Rail mount bracket (PN 09526) required

Part No.	Description
51000-40897	Fitting, assembly, air inlet, DISS
51000-40888	Fitting, assembly, air inlet, NIST
16144	Fitting, assembly, air inlet, air liquide
16173	Fitting, assembly, air inlet, male DISS
16131	Fitting, assembly, heliox and air, DISS
16132	Fitting, assembly, heliox and air, NIST
16149	Fitting, assembly, heliox and air, air liquide
16174	Fitting, assembly, heliox and air, male DISS

AVEA consumables

51000-40094

AVEA adult flow sensor

Single patient use, each

50000-40031

AVEA adult flow sensor

Single patient use, pack of 10

51000-40098

AVEA neonatal flow sensor

Single patient use, each

50000-40038

AVEA neonatal flow sensor

Single patient use, pack of 10

11395

AVEA exhalation filter

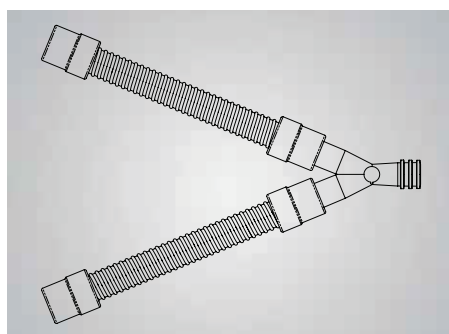

Single patient use, box of 12

11790

AVEA expiratory filter water trap

Single patient use, box of 12

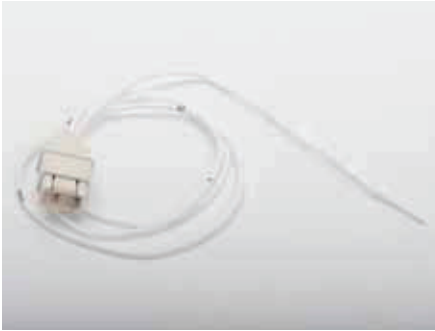

16044

Patient breathing circuit kit, 48"

16045

Patient breathing circuit kit, 72"

AVEA esophageal pressure monitoring consumables

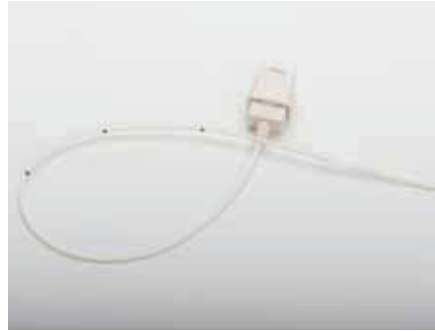

7003100

SmartCath esophageal pressure monitoring tube set

8 Fr, adult

Single patient use, box of 10

7003401

SmartCath esophageal pressure monitoring tube set

6 Fr, pediatric

Single patient use, box of 10

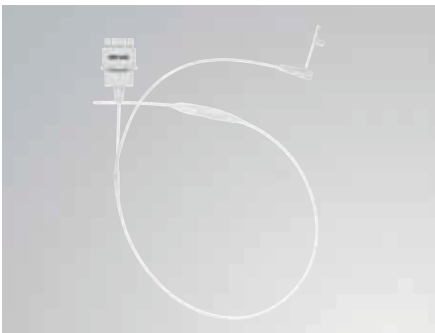

7003300

SmartCath adult nasogastric tube

16 Fr, with esophageal balloon

Single patient use, box of 10

7003402

SmartCath pediatric nasogastric tube

7 Fr, with esophageal balloon

Single patient use, box of 10

79018

Tracheal monitoring tube

Single patient use, each

10635

Tracheal monitoring tube

Single patient use, box of 10

50000-09960

SmartCath extension esophageal pressure monitoring tube

Single patient use, each

50000-09920

SmartCath extension esophageal pressure monitoring tube

Single patient use, box of 10

50000-40034

Tracheal catheter adapter

Single patient use, box of 10

AVEA volumetric capnography accessories

11732

Capnography hardware upgrade kit

Patient cable (PN 16578) and disposable sensors (PN 16605 and 16606) included. Software 4.1 or newer only

16578

Capnostat

CO₂ sensor assembly
Reusable, each

16605

CO₂ adapter, adult/pediatric

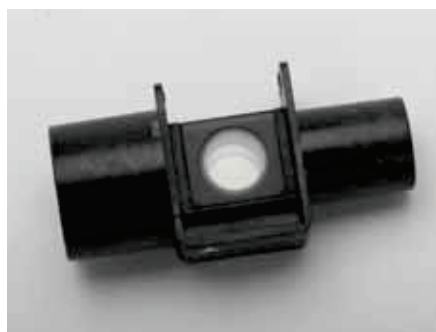

Single patient use, box of 10

16606

CO₂ adapter, neonatal

Single patient use, box of 10

16607

CO₂ adapter, adult/pediatric

Reusable, each

16608

CO₂ adapter, neonatal

Reusable, each

CLiO₂ accessories are not sold in the United States

16881

CLiO₂ hardware upgrade kit for CLiO₂-ready AVEA

SpO₂ module and patient cable (PN 71826) included

To be used with SpO₂ sensor:

71852

LNC-4, LNCS patient cable

1.2 m (4 ft)
Each

71826

LNC-10, LNCS patient cable

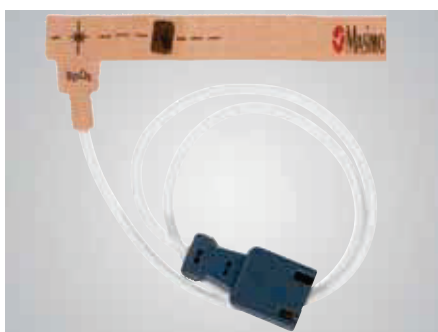

3 m (10 ft)
Each

71853

Infant SpO₂ adhesive sensors

46 cm (18 in), latex free, weight 3 kg-20 kg
Single patient use, box of 20

71854

Neonatal SpO₂ adhesive sensors

46 cm (18 in), latex free,
weight <3 kg or > 40 kg
Single patient use, box of 20

71855

Neonatal SpO₂ adhesive sensors

Latex free, weight < 1 kg
Single patient use, box of 20

71856

Adult SpO₂ adhesive sensors

46 cm (18 in), latex free, weight > 30 kg
Single patient use, box of 20

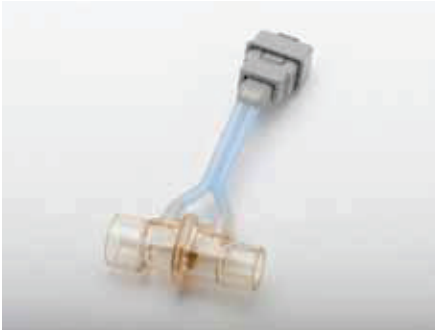

71857

Pediatric SpO₂ adhesive sensors

46 cm (18 in), latex free,
weight 10 kg-50 kg
Single patient use, box of 20

VELA® ventilator products

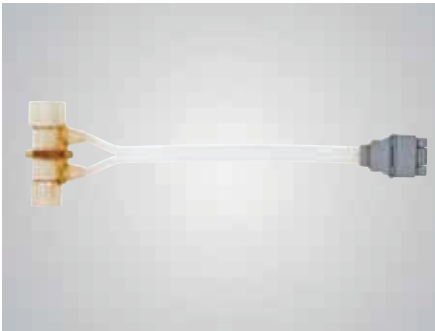

16496
VELA Diamond flow sensor
Reusable, each

16240D
VELA Diamond exhalation valve diaphragm
Reusable, pack of 10

10384D
VELA II exhalation valve diaphragm
Reusable, pack of 10

15972
VELA II flow sensor
Reusable, each

20005
Exhalation valve body
(VELA II and Diamond)
Reusable, each

15619
Nurse call cable open

12194
Oximeter mount
For use with transport stand
(PN 11540 or 15987 only)

11539
Exhalation outlet cover kit
For use ONLY with VELA Diamond series,
stands (PN 11536 or PN 11540), and
flow sensor (PN 16496)

15620
Nurse call cable closed

VELA accessories

11938
Aeroneb nebulizer stand mounting kit

69300
Circuit support arm

34403
Circuit support arm (PN 69300) circuit holder
Pack of 3

11536
Basic stand
Support arm not included

21782
Cylinder rings
For use with transport stand (PN 11540)

21773
Basic breakdown stand
Pole, base and casters

21778
Handle
For use with PN 21773

21774
Adapter mounting plate
For use with PN 21773

21775
Adapter mounting post
For use with PN 21773

21780
IV pole

40624
Screw
For use with transport stand (PN 11540)

45038
Split washer
For use with transport stand screw (PN 40624)

16578

Capnostat

CO₂ sensor assembly
Reusable, each

16605

CO₂ adapter, adult/pediatric

Single patient use, box of 10

16607

CO₂ adapter, adult/pediatric

Reusable, each

17509

Partial capnography upgrade kit

Included: power box (PN 16546), reusable adult/pediatric CO₂ adapter (PN 16607), box of 10 single patient use adult/pediatric CO₂ adapter (PN 16605)

Does not include capnography activation software

16920

Full capnography upgrade kit

Included: power box (PN 16546), reusable adult/pediatric CO₂ adapter (PN 16607), box of 10 single patient use adult/pediatric CO₂ adapter (PN 16605)

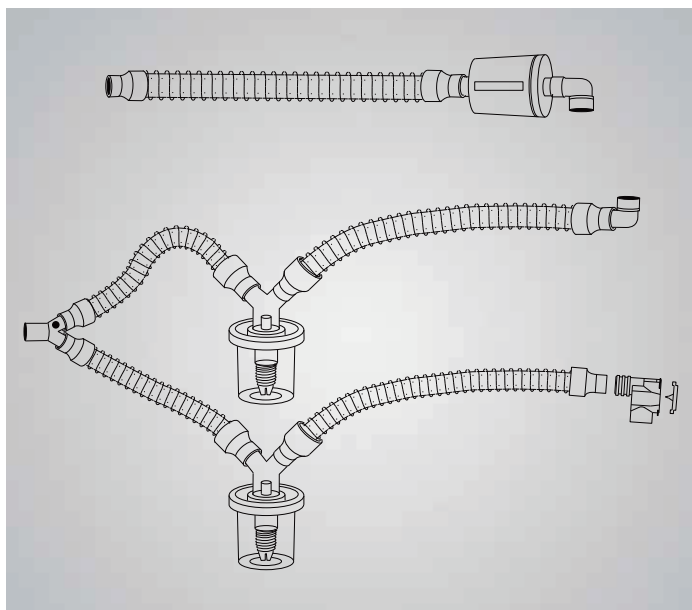

Includes capnography software with activation

16546

Capnography power box/monitor interface

VELA ventilator circuits

11571

VELA Diamond pediatric breathing circuit kit

Included: circuit tubing, 18" smooth bore; main flow bacteria filter; 90° elbow adapter; 22 mm ID cuff adapter; circuit tubing, 30" smooth bore; watertrap, autoclavable; tapered plug, 7.5 mm male; wye connector; exhalation valve body; Diamond exhalation valve diaphragm

11570

VELA Diamond adult breathing circuit kit

Included: circuit tubing, 18" smooth bore; main flow bacteria filter; 90° elbow adapter; 22 mm ID cuff adapter; circuit tubing, 30" smooth bore; watertrap, autoclavable; tapered plug, 7.5 mm male; wye connector; exhalation valve body; Diamond exhalation valve diaphragm

10684

VELA II adult breathing circuit kit

Included: circuit tubing, 18" smooth bore; main flow bacteria filter; 90° elbow adapter; 22 mm ID cuff adapter; circuit tubing, 30" smooth bore; watertrap, autoclavable; tapered plug, 7.5 mm male; wye connector; exhalation valve body; VELA II exhalation valve diaphragm

Part No.	Description
09531	Circuit tubing, 30" smooth bore (use 09531D for a pack of 10)
09532	Circuit tubing, 18" smooth bore (use 09532D for a pack of 10)
09534	Main flow bacteria filter
04709	90° elbow adapter
09413	Watertrap, autoclavable
4124	Tapered plug, 7.5 mm male
20225	Wye connector
00423	22 mm ID cuff adapter (use 00423D for a pack of 10)

Bird® Blender products

Bird Blenders

03800A

High flow MicroBlender without hoses, DISS

03800B

High flow MicroBlender without hoses, French, Air Liquide inlets

03800J

High flow MicroBlender with hoses, Japan (30 psi differential alarm), DISS

03800G

High flow MicroBlender without hoses, German

10063

High flow MicroBlender without hoses, NIST

10030A

MRI high flow MicroBlender without hoses, DISS

03803T

OmniBlender without hoses, triple outlet, DISS

UltraBlender low flow

Part No.	Description
10040A	0.15–1.0/2–16 LPM, DISS
10041A	0.5–5.0/2–16 LPM, DISS
10042A	1.0–10.0/2–16 LPM, DISS
10046A	2–16/2–16 LPM, DISS
10047A	0.15–1.0/1.0–10.0 LPM, DISS
10048A	0.5–5.0/1.0–10.0 LPM, DISS
10049A	1.0–10.0/1.0–10.0 LPM, DISS
10013A	0.15–1.0/2–16 LPM, NIST
10014A	0.5–5.0/2–16 LPM, NIST
10016A	2–16/2–16 LPM, NIST
10017A	0.15–1.0/1.0–10 LPM, NIST
10018A	0.5–5.0/1.0–10 LPM, NIST

03920A

Low flow MicroBlender without hoses, DISS

10011A

Low flow MicroBlender without hoses, NIST

15625A

Sentry Blender/Analyzer, high flow without hoses, DISS

16694A

Sentry Blender/Analyzer, low flow without hoses, DISS

15625B

Sentry Blender/Analyzer, high flow, French

2688-332
90° elbow adapter

66045
Oxygen sensor, galvanic with flow diverter
For 15 mm port

09220
Flowmeter, 0–15 LPM oxygen
DISS, male

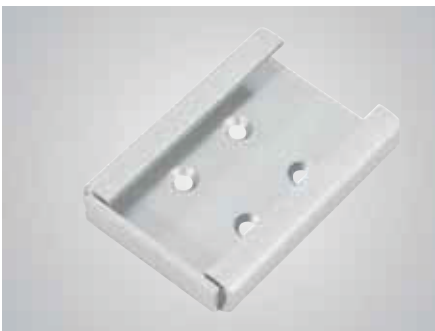

07426
Air inlet water trap/filter assembly

03869H
Auxiliary assembly outlet
9/16–18, 03800

04322
Pole mount blender bracket

05141
Female dovetail bracket

05213
Female dovetail wall bracket

09437
Rail mount blender bracket

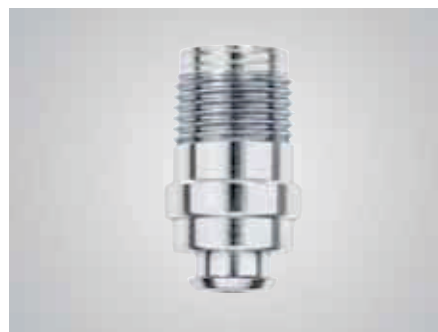

Bird Blender accessories

09440
Rail mount bracket

01468
Connector
9/16" (3-way), 2 Male and 1 Female

03837
Connector, tailpiece
Oxygen, 7/16-27

20254
Connector, inlet, air, MicroBlender
NIST

20255
Connector, inlet, oxygen, MicroBlender
NIST

32042
Adapter, oxygen
DISS x 1/4" tube

3100A and 3100B High-Frequency Oscillatory Ventilator (HFOV) products

3100A and 3100B HFOV accessories

467377
Fisher & Paykel humidifier MR850
115 V, with capital orders only

69754
Fisher & Paykel humidifier MR850
230 V, with capital orders only

768965
Humidifier mounting bracket
For use with Teleflex

768968
Humidifier mounting bracket
For use with Fisher & Paykel MR730 and MR850

770134
Fisher & Paykel autofeed pole

770135
Adapter bracket
For use with Fisher & Paykel humidifier base and autofeed pole

770136
Fisher & Paykel
Autofeed pole and bracket kit

Blender and accessories

10273
Blender kit
One blender, air tee/hose assembly and gas output hose

10112
Air tee/hose assembly

Blender and accessories items sold but not shown

Part No.	Description
463605	Hose, oxygen (green)
463606	Hose, air (yellow)
9220	Flow meter 0–15 LPM DISS

766586
Driver cover plate

767138
Support arm for use with adjustable cradle

770566
Circuit cradle

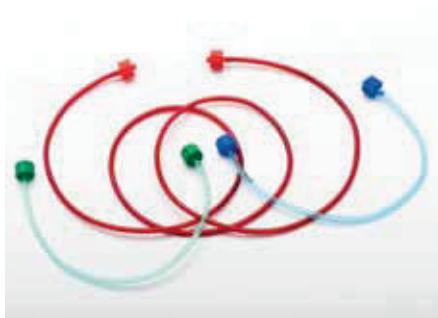

462364
Thumb screw for support arm and cradle

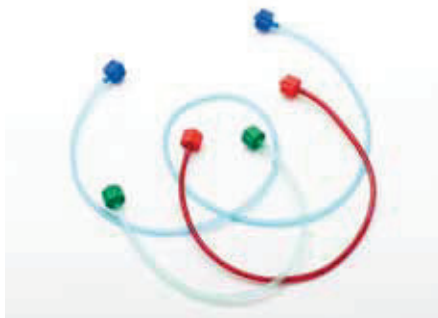

Accessories and service items sold but not shown

Part No.	Description	Qty.
765742	Circuit hold down strap	Each
767163	Air inlet filter element	Pack of 10
766798	Column lint filter element	Each
465298	Krytox inert grease	2 oz tube
765759	3100A HFOV patient circuit calibration label	Each
772754	3100B HFOV patient circuit calibration label	Each

3100A and 3100B HFOV consumables

11437
Connecting tubing set, unfiltered circuits
Red, blue and green tubing
Each

11438
Connecting tubing set, filtered circuits
Red, blue and green tubing
Each

766897
~~**Bellows and water trap set**~~
Box of 4

766896
Cap diaphragm set
Box of 4

12151
Inspiratory filters
Box of 12

12152
Expiratory filters
Box of 25

480029
Circuit port adapter for nitric oxide sampling

772793
Exhaled gas deflector

770150
Scavenger
Export only

Unfiltered circuits

Part No.	Description	Qty.
771374	Fisher & Paykel MR730 humidifier flexible circuit with short heated wire <i>(for heated environment)</i>	Box of 4
771375	Fisher & Paykel MR730 humidifier flexible circuit with long heated wire <i>(for non-heated environment)</i>	Box of 4
773996	Fisher & Paykel MR850 humidifier flexible circuit with short heated wire <i>(for heated environment)</i>	Box of 4
773997	Fisher & Paykel MR850 humidifier flexible circuit with long heated wire <i>(for non-heated environment)</i>	Box of 4
771463	Teleflex 380-90/ConchaTherm III humidifier 16 V, flexible circuit with short heated wire <i>(for heated environment)</i>	Box of 4
771465	Teleflex 380-88/ConchaTherm IV humidifier 21 V, flexible circuit with short heated wire <i>(for heated environment)</i>	Box of 4
771466	Teleflex 380-88/ConchaTherm IV humidifier 21 V, flexible circuit with long heated wire <i>(for non-heated environment)</i>	Box of 4

Unfiltered circuits sold but not shown

Part No.	Description	Qty.
766895	Rigid patient circuit body without heated wire	Box of 4

Filtered circuits

Part No.	Description	Qty.
11518-730S	Fisher & Paykel MR730 humidifier flexible filtered circuit with short heated wire <i>(for heated environment)</i>	Box of 4
11518-730L	Fisher & Paykel MR730 humidifier flexible filtered circuit with long heated wire <i>(for non-heated environment)</i>	Box of 4
11518-850S	Fisher & Paykel MR850 humidifier flexible filtered circuit with short heated wire <i>(for heated environment)</i>	Box of 4
11518-850L	Fisher & Paykel MR850 humidifier flexible filtered circuit with long heated wire <i>(for non-heated environment)</i>	Box of 4
11518-16VS	Teleflex 380-90/ConchaTherm III humidifier 16 V, flexible filtered circuit with short heated wire <i>(for heated environment)</i>	Box of 4
11518-21VS	Teleflex 380-88/ConchaTherm IV humidifier 21 V, flexible filtered circuit with short heated wire <i>(for heated environment)</i>	Box of 4
11518-21VL	Teleflex 380-88/ConchaTherm IV humidifier 21 V, flexible filtered circuit with long heated wire <i>(for non-heated environment)</i>	Box of 4

Notes:

Short heated wires are for heated environments, such as radiant warmers or isolettes
 Long heated wires are for unheated environments, such as cribs, bassinet or beds

Unfiltered circuits

Pre-packaged kit for all required supplies—circuit, bellows, water trap, cap diaphragms and connecting tubing. Box of four complete kits. Humidifier chamber not included.

Part No.	Description	Qty.
11744-730K	Fisher & Paykel MR730 humidifier flexible circuit with heated wire kit	Box of 4
11744-850K	Fisher & Paykel MR850 humidifier flexible circuit with heated wire kit	Box of 4
11744-HRCK	Teleflex 380-88, ConchaTherm IV (21 V), flexible circuit with heated wire, Teleflex ConchaTherm III/IV kit	Box of 4

Filtered circuits

One inspiratory and expiratory filter and a cap diaphragm set. Expiratory filter needs to be changed every 24 hours. Inspiratory filter does not need routine changing.

Part No.	Description	Qty.
16390-101	Fisher & Paykel MR730 humidifier flexible filtered circuit with heated wire	Box of 4
16390-102	Fisher & Paykel MR850 humidifier flexible filtered circuit with heated wire	Box of 4
16390-103	Teleflex 380-88, ConchaTherm IV (21 V) flexible filtered circuit with heated wire	Box of 4

Infant Flow[®] nCPAP products

Infant Flow SiPAP accessories

777237-101

Infant Flow SiPAP stand with IV pole and basket

777237-102

Infant Flow SiPAP stand with IV pole only

777238

IV pole, only

For use with SiPAP stand

777243

Fisher & Paykel MR730 and MR850 humidifier bracket

467377

Fisher & Paykel MR850 humidifier

115 V, with capital orders only

69754

Fisher & Paykel MR850 humidifier

230 V, with capital orders only

466423

Fisher & Paykel MR730 and MR850 humidifier pole clamp

770135

Fisher & Paykel Pole mounting bracket

For attaching auto feed pole

770136

Fisher & Paykel auto feed pole

For use with MR850 humidifier

770134

Fisher & Paykel auto feed pole

For use with MR730 humidifier

466952
Fisher & Paykel MR850 heated wire adapter ("pigtail")

480044
Fisher & Paykel MR559
Heated wire adapter MR730

480038
Fisher & Paykel humidifier adapter kit

467375
Fisher & Paykel MR850 temperature probe
Dual right angle, 72"

467376
Fisher & Paykel MR850 temperature probe
Dual right angle 60"

772211
Fisher & Paykel MR730 temperature probe
Dual right angle, 72"

777248
Teleflex humidifier bracket
Neptune or RCI ConchaTherm humidifier

466448
Teleflex humidifier pole mount clamp
ConchaTherm humidifier

467349
Infant Flow respiratory abdominal sensors
Single patient use, box of 25

677-002
Infant Flow SiPAP transducer assembly

D1420/100
Infant Flow baffle/filter
Single patient use, box of 20

777215
Infant Flow extension tube
Single patient use, pack of 10

775728
Infant Flow bonnet straps
Single patient use, pack of 20

Infant Flow LP nasal CPAP consumables

7772010

Infant Flow LP starter kit

Included: 5 Infant Flow LP generator kits with prongs, 2 XS, S, SM, M, L and XL headgear sizes; 2 XS, S, SM, M, L and XL nasal masks sizes; 2 XL nasal prongs; and 2 XS nasal prongs
Single patient use

7772011

Infant Flow LP generator kit/Fisher & Paykel MR730 or MR850 breathing circuit

Included: Infant Flow LP generator with prongs and neonatal, single-limb, heated breathing circuit
Single patient use, box of 10

7772021

Infant Flow LP generator kit/Fisher & Paykel MR730 or MR850 breathing circuit

Included: Infant Flow LP generator kit with nasal prongs and neonatal, single-limb, heated breathing circuit
Single patient use, box of 20

Nasal masks

For use only with the Infant Flow LP generator
Single patient use, pack of 10

Infant Flow nasal CPAP consumables

777085-102

Infant Flow generator kit/circuit

Included: generator, sizing guide and small, medium and large nasal prongs

Single patient use, case of 20

12204-102

Infant Flow generator kit/circuit

Included: generator, prongs and Fisher & Paykel neonatal, single-limb heated circuit for use with MR730 or MR850 humidifier

Single patient use, case of 20

773387-103

Infant Flow generator kit/circuit

Included: generator, prongs and AirLife neonatal single-limb heated circuit for use with MR850 humidifier

Single patient use, case of 20

11541-102

Infant Flow generator kit/circuit

Included: generator, prongs and neonatal, single-limb, heated circuit for use with Fisher & Paykel MR730 humidifier

Single patient use, case of 20

Nasal masks

For use only with the Infant Flow generator assembly

Single patient use

Infant Flow circuit only

Fisher & Paykel neonatal, single-limb heated circuit for use with MR730 or MR850 humidifier

Single patient use, case of 20

773387-101

Infant Flow circuit only

AirLife neonatal, single-limb heated circuit for use with MR850 humidifier and Infant Flow generator

Single patient use, case of 20

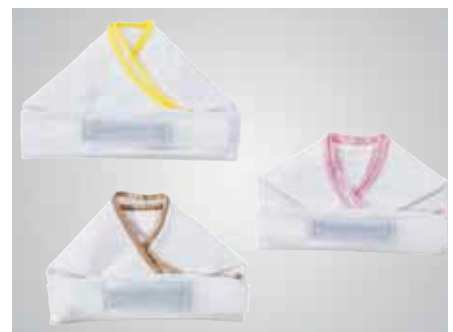

Nasal prongs

For use only with the Infant Flow generator assembly

Single patient use

69753	MR850AEK, 230V, English
69754	MR850AEU, 230V, English/Spanish/French
69755	MR850AFU, 230V, French/Dutch/German
69756	MR850AGU, 230V, German/French/Italian
69757	MR850ALU230V, Italian/Spanish/Portuguese
69758	MR850ANU, 230V, Norwegian/Swedish/Finnish
69759	MR850ARU, 230V, English/Russian/Polish
69760	MR850GJU, 100V, Japanese
69761	MR850JHU, 115V, English/Spanish/French
69762	MR850JSU, 115V, Spanish/Portuguese/English

F&P Humidification Chambers

Part Number	Description
69323	MR225 neonatal SPU box of 50
69319	MR290U autofeed SPU box of 40
69318	MR290UX autofeed SPU box of 10
69370	MR370 adult, reuse

Humidifier Airway Temperature Probes

Part Number	Description
69308	900MR561 dual airway temp probes, 2.2 m (88") MR700 series/HC500
69764	900MR869 dual airway temp probes, 1.85 m (74") MR800 series
69769	900MR861 dual airway temp probes, 2.2m (88")

Heater wire adapters

69763
900MR805 electrical adapter, dual limb
Fisher & Paykel circuit, MR800 series

466952
900MR806 electrical adapter, single limb
Fisher & Paykel circuit, MR800 series

69558
900MR558 electrical adapter, single limb
Lemo style for reusable circuit, MR700 series

69765
900MR858 electrical adapter, dual limb
Lemo style for reusable circuit, MR700 series

69301
Bracket, Bird parallel channel adapter

466423
Pole mount C-clamp 19 to 40 mm pole

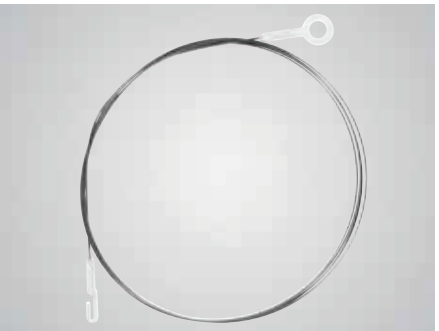

69302
Pole mount bracket 15 to 50 mm

770135
Bracket adapter for mounting pole

69316
Heater wire assembly, 1.1 m (43"), bias flow > 4 lpm

Draw wire (85"), reuse 69310

Part Number	Description
69309	Draw wire (60"), reuse
69310	Draw wire (85"), reuse

69306
Adapter, 10 mm M to 15 mm M / 10 mm F reuse

69131
Elbow adapter with temp probe port, 22 mm F to 22 mm M / 15 mm F reuse

Items sold, but not shown

Part No.	Description
770134	Water bag pole, bent, 1.05 m (42")
69515	Heater wire assembly, 1.5 m (60")
