## Authorization Letter

### TO WHOM IT MAY CONCERN

We hereby confirm that:

UAB VITROLAB  
Baltų pr. 36 -11  
LT- 48196 Kaunas  
Lithuania

is a representative of BST Bio Sensor Technology GmbH and as such authorized to quote, sell and service products of BST in Lithuania.

We testify that the current and forthcoming trained employees of UAB VITROLAB are authorized to provide full technical (service and maintenance) and scientific support for the BST systems.

This authorization letter shall remain valid until December 31, 2015.

Kind regards,

BST Bio Sensor Technology GmbH

  
Dr. Dorothea Zahn  
Managing Director
