1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution or dissemination online of the Subscribed Products could materially and irreparably harm Elsevier and its suppliers.

Notwithstanding anything to the contrary contained in this Agreement, more extensive usage terms might be permitted for open access content in the Subscribed Products as identified in the individual journal article as stated in the applicable user (e.g. CC) license.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 2 or as may be otherwise set forth herein after coming into effect of this Agreement.

2.2 *Quality of Service.*

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service. Elsevier shall inform the Subscriber and its Authorized Users about maintenance and repairs at least 48 hours in advance, unless such notice term is not reasonably possible given the urgency of the situation. If, due to causes within its reasonable control, Elsevier is unable to provide the Subscriber with access to the service for a period exceeding five (5) consecutive days, then Elsevier shall refund to the Consortium the amount of the Fees indicated in Agreement calculated by dividing the number of days of downtime by 365 and multiplied by the amount of the Fees for the current year.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing.

2.4 *Usage Data Reports.*

The Subscriber will use reasonable efforts to:

- limit access to and use of the Subscribed Products only to Authorized Users and notify all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;
- issue any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulge any passwords or credentials to any third party, and notify all Authorized Users not to divulge any passwords or credentials to any third party;
- provide true, complete and accurate IP addresses, as identified on Schedule 2, (if any) for the exclusive use by the Subscriber (including, if requested by Elsevier, written confirmation by the relevant third party internet service provider) and proactively inform Elsevier of any changes to the Subscriber IP addresses, including the addresses no longer being used exclusively by the Subscriber; and
- promptly upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to end such activity and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access from and/or require that the Consortium and/or Institution suspend the access from where the unauthorized use occurred upon notice to the Consortium and/or such Institution. The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own negligence or willful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof. The Consortium and/or Institution will be responsible for the adherence to the terms and conditions of this Agreement by a third party provider the Consortium and/or Institution engages, in particular, if such third party provider supplies and manages IP addresses.

3.3 Compliance with Sanction Laws.

Elsevier reserves the right to deny access to the Subscribed Products to any person or entity who is the target of any sanctions or embargoes laws (hereinafter "Sanctions Laws"), and who does not fall under an exemption or for which a general license has been granted under the Sanctions Laws.

3.4 Security Requirements.

The Subscriber shall promptly notify Elsevier if it determines that there has been a breach of the confidentiality or security of any confidential information provided hereunder and cooperate with Elsevier's reasonable requests surrounding such breach including taking appropriate steps to end such

activity and to prevent any recurrence.

SECTION 4. FEES AND PAYMENT TERMS.

The Consortium will pay to Elsevier the fees set forth in Schedule 1 (the “Fees”) and Schedule 4 (THE TENDER FOR THE SERVICES OF SUBSCRIPTION TO THE ONLINE RESEARCH DATABASE Science Direct) within sixty (60) days from the date of invoice issued by Elsevier to the Consortium. Late payments will be subject to interest charges of 1% per month on the unpaid balance. The Fee includes all costs and taxes, as well as the VAT. Any sum to be paid by the Consortium to Elsevier under this Agreement will be paid by way of transfer to Elsevier's bank account in the Netherlands. The currency of account and the currency of payment for any sum to be paid by the Consortium to Elsevier under this Agreement will be EUR (meaning the lawful currency of the European part of the Netherlands at the effective date of this Agreement), notwithstanding any changes in Euro zone membership that might occur after the effective date of this Agreement, except in the event that (a) the Netherlands cease to be a member of the Euro zone of the European Union or (b) all participating members of the Euro zone cease to do so and the Euro ceases to exist, in which event the sum will become payable in the currency that will be officially adopted as the legal currency in the Netherlands. Elsevier shall issue only an electronic invoice to the Licensee. Elsevier may use any means of an electronic invoice if it is in line with the European standard on electronic invoicing as prescribed by the Commission implementing decision (EU) 2017/1870 of 16 October 2017 on the publication of the reference of the European standard on electronic invoicing and the list of its syntaxes pursuant to Directive 2014/55/EU of the European Parliament and of the Council. Electronic invoices, which are not compatible with the European standard on electronic invoicing should be issued via www.esaskaita.eu.

SECTION 5. TERM.

5.1 Term.

The term of this Agreement will commence on signing of the Agreement and continue until 31 December 2020 (“Initial Term”).

5.2 Renewal.

Parties may renew the Agreement after 31st December 2020 for a following term by conducting a procurement procedure.

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 Warranties.

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 Indemnities.

Elsevier will indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys’ fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

6.3 Disclaimer.

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED “AS IS” AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED

PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

SECTION 7. GENERAL.

7.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) will be deemed a breach of this Agreement. The parties agree that the departure of one or more members of the Euro zone will not, in and of itself, be a "circumstance beyond its control" and will not have the effect of discharging or excusing performance of (any obligation under) this Agreement.

7.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement will not affect any other provisions of this Agreement.

7.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and replaces and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein. The Agreement shall comply with the Consortium's Tender documentation applicable to the contract award. In case of contradiction between the Agreement and the Schedules, Schedule 4 (The Tender for the Services of Subscription to the Online Research Database (*Science Direct*)) prevails.

7.4 *Modification.*

No modification, amendment or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties, except for changes reflecting substituted titles, IP addresses, authentication mechanisms, invoicing and contact address details which may be confirmed by Elsevier in an email notice sent to the Subscriber. The parties acknowledge that any amendments to this Agreement shall be subject to the requirements set forth in Article 89 of the Law on Public Procurement of the Republic of Lithuania. The Agreement can be amended if the scope of the Subscribed Products has been adjusted due to objective reasons (e.g. combining/splitting the electronic content and/or transferring the copyright and the related rights).

7.5 *Assignment.*

The Subscriber will not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

7.6 *Privacy.*

Elsevier will not, without the prior written consent of the Subscriber, transfer any personal information received by Elsevier from the Subscriber under this Agreement to any non-affiliated third party, except (i) to applicable service providers to the extent necessary to perform their functions for Elsevier in support of

this Agreement; (ii) where reasonably necessary to address security, safety, fraud or other legal issues; and (iii) if the Subscribed Products are acquired by another company, or use it for any purpose other than as described in this Agreement.

7.7 Notices.

All notices given pursuant to this Agreement will be in writing and delivered to the party to whom such notice is directed at the address specified below or the electronic mail address as such party will have designated by notice hereunder.

If to Elsevier: Elsevier B.V., Radarweg 29, 1043 NX Amsterdam, The Netherlands.

If to the Consortium: Lithuanian Research Library Consortium (LMBA), Gedimino Ave. 51, LT-01109 Vilnius, Lithuania.

7.8 Confidentiality.

In order to protect Elsevier's legitimate commercial interests, the Subscriber and its employees, officers, directors and agents will maintain as confidential and not disclose to any non-affiliated third party without Elsevier's prior written consent the financial terms and commercial conditions of this Agreement, except as stated in Schedule 4 (The Tender for the Services of Subscription to the Online Research Database (Science Direct) and official publication of the Agreement and Tender for the Services of Subscription to the Online Research Database (*Science Direct*) via Central Public Procurement Portal. Elsevier may only disclose such information (i) to applicable service providers to the extent necessary to perform their functions in support of this Agreement and (ii) where reasonably necessary to address security, safety, fraud or other legal issues, and share the Subscriber's IP address ranges and holdings information (ISSN/ISBN, access start and end date) with internet search engine providers for the sole purpose of displaying to Authorized Users in their internet search results links to full-text articles and books available in the Subscribed Products.

7.9 Execution.

This Agreement and any amendment thereto may be executed in counterparts in writing.

7.10 Governing Law and Dispute Resolution

(a) This Agreement shall be governed by and construed in accordance with Lithuanian law and the parties irrevocably agree that any dispute arising out of or in connection with this Agreement will be subject to and within the jurisdiction of the Lithuanian courts.

(b) The parties agree to use best efforts to resolve disputes in an informal manner. Where the parties agree that a dispute arising out of or in connection with this Agreement would best be resolved by the decision of an expert, they will agree upon the nature of the expert required and together appoint a suitable expert by agreement.

(c) Any person to whom a reference is made under Clause 7.10 (b) shall act as an expert and not as an arbitrator and his decision (which shall be given by him in writing and shall state the reasons for his decision) shall be final and binding on the parties except in the case of manifest error or fraud.

(d) Each party shall provide the expert with such information and documentation as he may reasonably require for the purposes of his decision.

(e) The costs of the expert shall be borne by the parties in such proportions as the expert may determine to be fair and reasonable in all circumstances or, if no determination is made by the expert, by the parties in equal proportions.

7.11 Termination

(a) Any party may terminate this Agreement at any time on the material or persistent breach by the other of any obligation on its part under this Agreement by serving a written notice to the other party identifying the nature of the breach. The termination will become effective thirty days after the receipt of the written notice unless during the relevant period of thirty (30) days the defaulting party remedies the breach forthwith by a written notice to the other party.

(b) Upon termination of this Agreement by the Consortium due to a material or persistent breach by

Elsevier, Elsevier shall reimburse to Consortium a pro rata proportion of the then remaining paid Fee for the unexpired period of this Agreement.

(c) Consortium may terminate this Agreement:

1 in the case of material loss of external funding or merger or closure of any Authorized Institution by serving a written notice to the other party, the termination will become effective thirty days after the receipt of the written notice unless later term has been specified in the notice. In this case, the Consortium shall pay only for the access and use of the Subscribed Products by the Authorized Users of the Authorized Institutions during the period of the validity of this Agreement;

2 if the Agreement was awarded to the Elsevier in view of a serious infringement of the obligations under the Treaties and Directive 2014/24/EU of the European Parliament and of the Council of 26 February 2014 on public procurement and repealing Directive 2004/18/EC that has been declared by the Court of Justice of the European Union in a procedure pursuant to Article 258 TFEU (Treaty on the Functioning of the European Union);

3 if the Agreement has been subject to a substantial modification as prescribed in clause 7.4 of this Agreement.

4 if Elsevier should have been excluded during the procurement procedure.

d) Upon termination of this Agreement according to clause 7.11.c, Elsevier shall reimburse to Consortium a pro rata proportion of the then remaining paid Fee for the unexpired period of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.

Journal Collection(s)

The Subscriber's Journal Collection(s) is described in Schedule 1.1.

ELSEVIER SUBSCRIPTION AGREEMENT

Schedule 1.1

Journal Subscription

Complete Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 2000 identified on Annex A.

Complete Freedom Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 2000 set forth in the Complete Freedom Collection Journal Title List at http://www.elsevier.com/solutions/sciencedirect/content/journal-title-lists#journal_title_list, as may be updated annually with the changes effective as of 1 January of the following calendar year of the term of the Agreement.

Option to Substitute Subscribed Titles

An Institution may substitute any of the subscribed journal titles identified on Annex A to Schedule 1.1 ("Subscribed Titles") with one or more journal titles of total comparable value (in current year list price) once annually upon notice to Elsevier by 1 August prior to the start of the next calendar year or at any time upon mutual agreement of the parties in writing.

Option to Substitute or Refund Withdrawn Subscribed Titles

An Institution may substitute any withdrawn Subscribed Titles with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier. In the event that no substitute journal title is available, Elsevier will refund to the Institution the amount of the Fees paid for the withdrawn Subscribed Titles for the remainder of the Term.

Transferred Titles

Society journal titles for which the Subscriber holds an electronic subscription through a third-party publisher whose publication rights are transferred to Elsevier and made accessible on ScienceDirect during the Term ("Transferred Titles") will be deemed Subscribed Titles effective as of the date of transfer and for the then current publication year and the publication years previously paid unless and until the Subscriber notifies Elsevier that it no longer wishes to continue such electronic subscription on ScienceDirect. The option to substitute Subscribed Titles does not apply to Transferred Titles.

Post Termination Access to Subscribed Titles

Upon termination of all of an Institution's annual subscriptions on ScienceDirect online, the Institution may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of EUR 0.063 per download, with a minimum annual fee of EUR 400 (adjusted annually for inflation and cost increases) for the Subscriber's access to the platform, in accordance with the usage provisions of this Agreement, which provisions will survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Institution, at the Institution's sole expense, the records concerning the calculation of the annual access fee once per year during regular business hours upon thirty (30) days written notice to Elsevier. If an electronic copy is selected, the Subscriber will for a period of five (5) years from delivery of the electronic copy provide, on a monthly basis, to Elsevier complete and accurate usage data reports on the Subscriber's on-site usage activity in a mutually agreed upon format. Elsevier will be entitled to inspect the Subscriber's records of usage once per year during regular business hours upon reasonable notice to the Subscriber. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Institution, but the Institution remains a ScienceDirect online subscriber, the Institution may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid provided that Elsevier continues to hold the electronic rights thereto.

Deep Discounted Price for Print Subscriptions

Provided that the Fees have been paid, an Institution shall have the option to place orders for annual subscriptions to a selection of Elsevier print publications at a price reduced from the list price (“Deep Discounted Price” or “DDP”), by 1 August prior to the start of the next calendar year from Elsevier directly and from only one (1) authorized subscription agent, which shall be selected by the Subscriber, and Elsevier will fulfill such orders in accordance with its customary practices. The Consortium shall cause the Institution to notify Elsevier of its subscription agent’s contact information upon placing such orders. The Institution may change its subscription agent no more than once annually by giving Elsevier notice by 1 August prior to the start of the next calendar year. The Institution will not place orders for such DDP subscriptions on behalf of any other person or entity or with the intent to resell, rent, license, lease or otherwise transfer them to another person or entity.
