

Technical characteristics

Production serial number	
Model STPM	VTPM-2000B
Stops	2
Lifting height, mm	2000
Speed m/sec.	0,10
Capacity, kg	250
Doors (type)	swing-glazed
Control system	button of permanent pressure
Maximum consumed power, kW	1,4
Number of users transported at one time (in a wheelchair)	1

Material specification

Mark, position	Designation	Denomination	Amount	Remark
1		Platform	1	
2		Sheet lateral	2	
3		Wicket door built into the cabin	1	
4		Handrail	2	
5		Outer wicket door	1	
6		Drive column Ø100mm	1
