- 1.1 The Term shall begin on the last date of signature of the License Agreement (the "Commencement Date") and shall end on 31st March 2021.
- 1.2 **Continuing Access Journals:** During the Term, Licensee shall have access to the Continuing Access Journals listed in Section 3.1 first published during the Term. After the Term, Licensee shall have Continuing Access to the Continuing Access Journals first published during the Term, subject to all the terms and conditions of this License Agreement.
- 1.3 **Access Only Journals:** During the Term only, Licensee will be granted access to the Access Only Journals listed in Section 3.2 first published during the period indicated in the "Year" column of Section 3.2.

2. Cessation of Publication / Transfer / Take-over

- 2.1 **Cessation of Publication of Continuing Access Journals During the Term** If Licensor ceases to publish new Content for 3% or more of the Continuing Access Journals during any calendar year of the Term, whether because Licensor ceases to have publishing rights or because Licensor ceases to publish those Continuing Access Journals, upon Licensee's written request, Licensor will, at Licensor's sole option, offer to Licensee:

- (2) a credit toward any future acquisition of a Product in the same value as that mentioned in part (1) above.

The value to be applied for additional Content or a credit will be determined by Licensor in good faith, taking into account factors which may include, without limitation, number of articles, number of pages, impact factor, usage factor, and list price of the Content in question, or any other formula including any or all such factors that allows Licensor to calculate the value of the lost Content as a percentage of the Continuing Access Journals under the License.

2. Grant and Scope of License

2.1 Subject to Licensee's compliance with the License Agreement, and except as otherwise stated herein, Licensor hereby grants Licensee a non-exclusive, revocable and non-transferrable license to:

2.1.1 permit Authorized Users to access the Content for the duration and in the manner set forth in the License Agreement;

2.1.2 incorporate links on Licensee's intranet websites to the Content in full text format on the Platforms;

2.1.3 transmit to a non-commercial library single articles, book chapters or portions thereof only for personal educational, scientific, or research purposes ("Interlibrary Loans"). Such transmission shall be reviewed and fulfilled by Licensee's staff, and shall be made by hand, post, fax or through any secure document transmission software, so long as, in the case of any electronic transmission, the electronic file retains the relevant copyright notice. The right set out in this clause does not extend to centralized ordering facilities, such as document delivery systems, nor the distribution of copies in such quantities as to substitute for a subscription or purchase of the distributed Content.

2.2 Authorized Users may solely for their personal educational, scientific, or research purposes:

SPRINGER NATURE

2.2.1 access (including by remote access, with the exception of walk-in-users), browse, view, collate, display, search and retrieve the Content,

2.2.2 download, store on a hard drive or removable media drive, print and copy in paper and digital form single articles, eBooks and portions thereof, individual database outputs, graphs, reports, or other individual items of the Content,

2.2.3 use single articles, eBooks and portions thereof, individual database outputs, graphs, reports or other individual items of the Content for the preparation of academic course materials with all rights notices duly presented.

2.2.4 use the Springer Nature SharedIt functionality when available, or other means when necessary, to transmit single articles, chapters or other individual items of Content to third-party members of the Authorized Users' research group(s) for personal, scholarly, educational, or research use, but in no case for commercial purposes, nor in any manner that would serve as a replacement for a subscription to the Content.

3. Prohibited Uses

3.1 Neither Licensee nor Authorized Users shall:

3.1.1 remove, obscure or alter any copyright or other notices, trademarks, logos, service marks or any other proprietary rights appearing in or on the Content,

3.1.2 except as permitted by applicable law or this License Agreement, update, change, revise, adapt, modify, translate, transform or create any derivative work of the Content,

3.1.3 except as permitted by Section 2 or by applicable law or this License Agreement, re-distribute, reproduce, or transmit the Content by any means including electronic (e. g., via e-mail, FTP) nor post it on personal or public websites or on public networks,

3.1.4 systematically download any Content to its own or any third-party server, use routines designed to continuously and automatically search and index the Content (full text and meta data), such as web-crawling or spider programs or engage in any activity likely to burden the Platforms, except as expressly allowed in the License Agreement,

3.1.5 directly or indirectly use or assist any third party to use the Content for any commercial or monetary purposes including without limitation any sale, resale,

loan, transfer or upload of the Content to a commercial entity's internet website, or otherwise charge a fee for access; or

3.1.6 otherwise use the Content in a manner that would infringe the copyright or other proprietary rights contained therein.

4. Rights and Obligations of Licensor

4.1 Licensor may control access to the Content through Internet Protocol ("IP") authentication or another identification method reasonably determined by Licensor.

4.2 Licensor reserves the right to monitor, investigate and analyze all available data including logfiles to detect misuse of the Content.

4.3 Where feasible, Licensor shall collect data on usage of the Content and process these according to the COUNTER Code of Practice and according to applicable privacy and data protection laws (the "Usage Data"). The Usage Data will be made available for download by Licensee through a secure website, provided that these statistics are strictly for the Licensee's own internal use and Licensor shall not be required to disclose any information to the Licensee which it is prohibited from disclosing to the Licensee due to any legal or regulatory constraint imposed upon it, including without limitation any applicable privacy or data protection legislation or regulations or contractual obligations.

4.4 Licensor shall use reasonable efforts to provide online access to the Content through the Platforms, subject to periodic unavailability due to (a) unexpected technical issues outside of Licensor's control, and (b) server and software maintenance ("Unavailability"); and to restore access to the Content as promptly as possible in the event of Unavailability, but in all cases no later than five (5) business days from Customer's notification (the "Grace Period"). If the Unavailability continues beyond the Grace Period, Customer shall be entitled to a pro-rata credit of any License Fees paid in advance on behalf of the affected Licensee for the affected Product. Licensor will credit the Customer with an amount calculated as follows:

0.02 percent (%) of the License Fee for the affected Product for each delayed day after the Grace Period.

All of Licensor's obligations and Licensee's rights under this Section 4.4 are subject to (i) Licensee's full compliance with this License Agreement and Licensor's reasonable instructions regarding access to the Content, (ii) Licensor's receipt of prompt notification of a loss of access or interruption, specifying the circumstances in reasonable detail, including affected Licensee and

Product. Further, Licensor shall have no obligation under this Section 4.4 for any Unavailability caused in whole or in part by a Licensee or its Authorized Users, or by events described in Paragraph 10.2. For clarity, no fine will be paid for the accumulating periods of non-continuous interruptions. In the event that Licensor ceases to provide access to Continuing Access and/or Archive Content as a standard offering through the Platforms, Licensor may provide such Content to Licensee on physical media, or through other means, which may include, without limitation, access through the digital preservation services referred to in Section 4.5 below, to the extent Licensor's rights to the Content permit.

4.5 Licensor cooperates with a number of digital preservation services (e.g. CLOCKSS, and Portico) for the preservation of certain online products of Licensor. In the case of a triggering event set forth in Licensor's agreements with the digital preservation services, Licensee may be entitled to access the Content pursuant to such agreements. It is in Licensor's sole discretion to enter into or to continue such agreements.

4.6 Licensor reserves the right to discontinue publication or distribution of any part of the Content and to withdraw, edit, amend or retract any part of the Content to which it no longer retains the right to publish or which it reasonably believes is incorrect or may give rise to a legal claim.

4.7 Licensor and its suppliers retain all right, title, and interest in and to the Content, except as expressly set forth in this License Agreement. Nothing in this License Agreement shall grant Licensee any trademarks, patent rights, copyrights, and rights to any ideas and designs relating to the Content, the Platforms, and all software used to access the same.

5. Rights and Obligations of Licensee

5.1 Licensee shall at all times implement reasonable measures to (a) restrict access and use of the Content to Authorized Users as permitted under this License Agreement, (b) maintain the security and integrity of the Content accessible on or through Licensee's network, and (c) ensure that all Authorized Users are notified of and comply with the usage restrictions set forth in this License Agreement. Licensee shall terminate access for any individual who ceases to be an Authorized User for any reason. In the event that Licensor's performance of its obligations under this License Agreement requires that Licensor receive or otherwise process any personal data of Authorized Users, then Licensee shall obtain, if applicable, all

necessary approvals and consent from Authorized Users for transfers of personal data to Licensor.

5.2 Licensee shall promptly inform Licensor of any breaches in security in Licensee's network or its accounts which may result in unauthorized access to the Content.

5.3 If Licensee becomes aware of any unauthorized use of the Content by an Authorized User or third party, Licensee shall immediately inform Licensor and shall take appropriate steps to ensure that such activity ceases and to prevent its recurrence, including, but not limited to, terminating access of any Authorized User accessing or using the Content in violation of this License Agreement.

6. License Fees

6.1 Customer shall pay the fees set forth in the License Agreement (the "License Fees"). Delayed payments shall be subject to interest charges at the interest rate of 8 % above the set European Central Bank Interest Rate for Main Refinancing Operations. The Customer has the right to prove that the actual damage incurred by its default is less than as set forth in the second sentence of this Section 6.1, and will then only be obliged to pay the actual damage.

6.2 The amounts mentioned in this License Agreement as "License Fees in Total (including VAT)" shall be inclusive of all sales, use, withholding, value added or similar taxes as per Attachment A (Annex 1 to the Contract Documents: The Form of the Tender). Licensor shall provide to Customer an appropriate invoice as required by law. If, based on applicable law, any withholding or similar taxes are or become chargeable, Customer has the right to deduct and withhold these taxes from the amount payable. Customer shall remit these to the competent tax authority and shall provide Licensor with appropriate evidence of the remittance. Licensor and Customer agree to cooperate and take all relevant steps in completing any procedural formalities necessary for Customer to make any payment without or at a reduced rate pursuant to a relevant double taxation agreement.

6.3 The License Fee, or any portion thereof, may be invoiced by a Licensor Affiliate, or by an agent designated by Licensor. Payment will be deemed made when received (i) by Licensor, (ii) a Licensor Affiliate, (iii) an agent designated by Licensor, or, (iv) with Licensor's prior written consent, an agent designated by Licensee.

SPRINGER NATURE

7. Term and Termination

7.1 Either Licensor or Customer may terminate the License Agreement immediately upon notice to the other party if the other party (including, with respect to Customer, an individual Licensee) materially breaches this License Agreement and fails to cure such breach within thirty (30) days after notice from the non-breaching party specifying the breach in reasonable detail.

7.2 Either Licensor or Customer may terminate the License Agreement immediately upon notice to the other party (including, with respect to Customer, an individual Licensee) if (a) a petition in bankruptcy or for a reorganization or arrangement pursuant to the bankruptcy laws is filed by the other party, or (b) a petition in bankruptcy or for reorganization or arrangement pursuant to the bankruptcy laws is filed against the other party and such petition is not dismissed within 90 days, or (c) an order is entered directing the liquidation of the other party, or (d) the other party becomes insolvent, or (e) the other party assigns all or substantially all its assets for the benefit of creditors, or (f) the other party shall apply for, or consent to, the appointment of a receiver, trustee or liquidator for all, or a substantial part, of its assets, or (g) the other party ceases paying its debts on a regular basis, unless prohibited by applicable law.

7.3 In the event Customer fails to pay the License Fee for Content provided under one or more Product Terms, and fails to cure such non-payment within 30 calendar days following notice from Licensor, Licensor may, in its sole discretion, either (a) immediately and without further notice suspend access to the Content licensed under such Product Terms or (b) terminate the License Agreement pursuant to Section 7.1, either in its entirety, or solely with respect to the Content licensed under such Product Terms.

7.4 Licensor may suspend the provision of the Content to a Licensee with immediate effect on notice if Licensor has reasonable grounds to believe that Content is being used in a manner contrary to the terms of this License Agreement, without prejudice to any other rights Licensor may have at law or in equity.

7.5 Pursuant to Article 90(1) of the Law on Public Procurement of the Republic of Lithuania No. I-1491 Amendment Law, dated May 2, 2017 (the "Law on Public Procurement"), Customer may terminate this License Agreement (for itself and on behalf of the Licensees listed in Attachment 1) upon thirty (30) days' written notice to Licensor specifying the reasons in reasonable detail, if: (a) it is found that Licensor should not have been awarded the License Agreement if the Court of Justice of the European Union had declared it in a

procedure pursuant to Article 258 TFEU (Treaty on the Functioning of the European Union) in view of a serious infringement of the obligations under the Treaties and Directive 2014/24/EU of the European Parliament and of the Council of 26 February 2014 on public procurement; (b) if the License Agreement has been subject to a substantial modification in violation of Article 89 of the Law on Public Procurement of the Republic of Lithuania; or (c) if it is verified and it is evident that Licensor should have been excluded during the procurement procedure pursuant to Article 46(1) of the Law on Public Procurement. Upon termination of this License Agreement according to this Section 7.5, Licensor shall reimburse Customer a pro rata proportion of the then remaining paid License Fees for the unexpired period of this License Agreement, based on the number of full calendar months remaining in the Term for the relevant Product."

7.6 In the event of termination or expiration of the License Agreement for any reason (a) the license grant shall terminate with regard to the Content, (b) Licensee shall discontinue accessing the Content via the Platforms, (c) Licensee shall delete or destroy all copies of the Content on electronic and physical storage mediums in its possession or control, and (d) use reasonable efforts to ensure that its Authorized Users delete or destroy Content on their personal electronic devices and physical storage mediums. At Licensor's request, Licensee shall provide a certificate executed by an officer of Licensee attesting that such deletion or destruction has been fully effectuated. For clarity, however, the first two sentences of this Section 7.6 do not apply upon expiration of the Term of a Product with Continuing Access specified in the applicable Product Terms. All indemnification, confidentiality, and payment obligations in the License Agreement up to the termination date shall survive such termination or expiration.

7.6 Any termination right under this Section 7 may be exercised by or against Customer, or an individual Licensee, provided that in the case of termination by Licensor with respect to an individual Licensee, or termination by an individual Licensee with respect to Licensor, this License Agreement shall remain in effect with respect to all other Licensees.

8. Confidentiality

The License Agreement is the confidential and proprietary information of Licensor (collectively, the "Confidential Information"). Confidential Information shall not include any information which at the time of disclosure is (a) known to the recipient independently of this License Agreement without a breach of any confidentiality obligation; (b) is in the public domain; (c) is made available

SPRINGER NATURE

to the recipient at any time by an independent third party which has not obtained it directly or indirectly in breach of any obligation of confidentiality to Licensor. Customer and Licensee agree to keep the Confidential Information strictly confidential and shall not disclose it to any third party except: (a) to officers, accountants, attorneys, insurers or agents of Customer and Licensee who have a need to know the Confidential Information in order to permit Customer and Licensee to exercise its rights or fulfill its obligations under this License Agreement, and who are bound by a legal obligation of confidentiality with respect to the Confidential Information, (b) as required by law, or (c) pursuant to a properly issued subpoena, any order of any court, or other authority or governmental agency with the authority to obtain information regarding the License Agreement. If Customer or Licensee is requested to disclose any Confidential Information pursuant to (b) or (c) above, it shall immediately notify Licensor of such request, to the extent legally permissible give Licensor a reasonable opportunity to challenge the disclosure, and provide Licensor reasonable assistance in seeking a protective order or in connection with other measures to ensure that the recipient of the Confidential Information keeps it confidential.

9. Representations, Warranties, Indemnification

9.1 Licensor represents and warrants that (a) it has sufficient rights in and to the Content as granted herein, and (b) use of the Content by Licensee in accordance with the License Agreement shall not infringe or violate any copyright, trademark, or right of privacy or publicity of any third party.

9.2 Licensor shall not be liable for any damages caused by (a) use of the Content by Licensee or any Authorized User other than as expressly permitted under this License Agreement; (b) any failure or malfunction resulting wholly or to any material extent from the Licensee's and/or Authorized User's willful misconduct, negligence, operator error, use other than in accordance with user documentation made available by Licensor; (c) failure by Licensee to implement recommendations previously advised by Licensor in respect of, or solutions for, faults in the Content or the Platforms; or (d) the decompilation or modification of the Content or its merger with any other program by any person other than Licensor.

9.3 Licensor shall defend, indemnify, and hold harmless Licensee and its Affiliates, successors and assigns ("Indemnified Parties") from and against any and all third party claims, demands, obligations, costs, losses and liabilities, (including reasonable attorney fees if a defense is not provided by Licensor, reasonable fees being such fees allowed by statutory law, if applicable)

incurred by Licensee which arise out of a violation of its representations and warranties set forth herein, subject to the conditions that Licensee (a) notify Licensor immediately upon becoming aware of any such third-party claim, (b) not attempt to compromise or settle the claim, (c) provide Licensor with all reasonably requested information and assistance, and (d) permit Licensor to have sole conduct of the defense and/or settlement of such claim with counsel of Licensor's choice at its expense. This Section 9.3 shall be the sole and exclusive remedy the Indemnified Parties may have with respect to any third party claims of misappropriation or infringement of intellectual property for the Content.

9.4 EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, LICENSOR PROVIDES THE CONTENT "AS IS" AND MAKES NO OTHER REPRESENTATION OR WARRANTY. LICENSOR EXPRESSLY DISCLAIMS ANY LIABILITY FOR ANY CLAIM ARISING FROM OR OUT OF THE CONTENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. LICENSOR SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF DATA, BUSINESS INTERRUPTION OR LOSS OF PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS LICENSE AGREEMENT, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LICENSOR'S LIABILITY FOR ANY AND ALL CLAIMS UNDER THIS LICENSE AGREEMENT IS LIMITED TO THE LICENSE FEES ACTUALLY PAID TO LICENSOR IN THE 12-MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO A CLAIM.

9.5 Customer represents and warrants that (a) it has the requisite authority to enter into this License Agreement and (b) if acting on behalf of one or more Licensees (i) it is fully and unconditionally authorized so to act and to bind such Licensee(s) to this License Agreement, and (ii) it has provided a copy of the License Agreement to Licensee(s) or afforded Licensee(s) the opportunity to review all provisions of the License Agreement applicable to Licensee(s).

10. General

SPRINGER NATURE

10.1 Licensor may assign its rights or delegate its obligations under this License Agreement, or any part thereof, to (i) an Affiliate, (ii) a party acquiring all or substantially all of Licensor's assets, or (iii) as part of a pledge of assets or similar arrangement in connection with credit agreements. Licensor will require any such party to comply with Licensor's obligations under this License Agreement. For clarity, in cases other than those specified in the first paragraph of this Section 10.1, Licensor may not assign its rights or delegate its obligations or any part thereof under this License Agreement without the prior written consent of Customer. Customer or Licensee may not assign its rights or delegate its obligations or any part thereof under the License Agreement without the prior written consent of Licensor. Any attempt by either party to assign or delegate any rights or obligations set forth in the License Agreement in a manner contrary to this Section 10.1 without the other party's prior written consent shall be null and void.

10.2 Except for any obligations to make payments to the other party hereunder, either party's delay or failure to perform any term or condition of the License Agreement as a result of circumstances beyond its control such as, but not limited to, wars, invasions, hostilities (whether war is declared or not), terrorist threats or acts, epidemics, strikes, fires, floods, earthquakes, explosions, acts of God, governmental restrictions, market manipulations, actions, orders or laws, embargos or blockades, national or regional emergencies, power, telecommunications or Internet failures, or damage or destruction of any network facilities or servers, shall not be deemed a breach of the License Agreement or a basis for liability.

10.3 If any covenant or other provision of the License Agreement is invalid, illegal or incapable of being enforced, by reason of any rule of law or public policy, all other covenants and provisions shall nevertheless remain in full force and effect.

10.4 Entire Agreement; Modification: This License Agreement supersedes and replaces all prior agreements and understandings, whether written or oral, between the parties concerning the subject matter hereof. This License Agreement constitutes the entire agreement between the parties concerning its subject matter and cannot be modified, nor may any of its provisions be waived, except when executed in written form and signed in each case by both parties, except that in the case of waivers or consents, the foregoing requirements shall apply solely to the party giving such waiver or consent. The parties acknowledge that any amendments to this License

Agreement shall be subject to the requirements set forth in Article 89 of the Law on Public Procurement of the Republic of Lithuania No. I-1491 Amendment Law, dated May 2, 2017. . Failure or delay of either party to enforce any of its rights under this License Agreement is not deemed a modification or a waiver by such party of any of its rights hereunder.

10.5 In case of a conflict or ambiguity between these General Terms and Conditions and the Product Terms, the Product Terms shall prevail. In the event this License Agreement is translated into a language other than English, the English-language version of this License Agreement shall prevail in the event of any conflict between the English-language version and the translated version.

10.6 The License Agreement and the rights and obligations of the parties hereto shall be construed, interpreted and determined in accordance with the laws of the Federal Republic of Germany without reference to the stipulations of the CISG (United Nations Convention on Contracts for the International Sale of Goods) or to Germany's choice-of-law principle.

10.7 The parties acknowledge and agree that any controversies and disputes arising out of the License Agreement shall be decided exclusively by the courts of or having jurisdiction for Heidelberg, Germany, as far as legally permissible.

10.8 All notices given pursuant to the License Agreement shall be in text form as stipulated in Section 126 b of the German Civil Code (including but not limited to letters, facsimile, e-mail). Notice to Licensor shall be to Springer Nature, Licensing Control, Van Godewijkstraat 30, 3311 GX P.O. Box 17, 3300 AA Dordrecht, The Netherlands, with a copy to Legal Department, Springer Nature, Heidelberger Platz, 3, 14197 Berlin, Germany. Notice to Customer shall be to the address set forth in the License Details.

10.9 This License Agreement is solely for Licensor's, Customer's and Licensee's benefit. It is not for the benefit of any other person, except for permitted successors and assigns under this License Agreement.
