

## Dredger Transfer and Acceptance Certificate

### **Delivery note of shallow draft Eurodredger 450 with yardnumber NP512**

We hereby certify that the Vessel with Building Number NP512 is built by Neptune Construction B.V. at our shipyard in Hardinxveld-Giessendam, The Netherlands.

We warrant that the Vessel is delivered to SE Inland Waterways Authority free and clear of any third party claims, judicial lawsuits, litigation, arrest, liens, charges, claims, mortgages or other encumbrances.

The following documents are delivered with this Dredger Transfer and Acceptance Certificate:

- Certificates of the Dredger
- Dredger guarantee declaration
- Dredger testing reports
- Dredger equipment and spare parts inventory acts
- Drawings/ layouts
- Operating and maintenance instruction of the Dredger

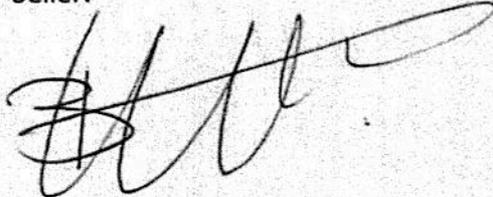

SE Inland Waterways Authority will return the Advanced Payment Guarantee with reference NO. NLHG003491 and execute payment of the final instalment according contract dated 22 December 2016, on this date, 3 November 2017.

As per the Contract, ownership of the vessel is transferred on this date 03 November 2017.

The actual delivery of the vessel will take place through the signature of this Dredger Transfer and Acceptance Certificate. From this date on, all costs, benefits and risks are for the account of the purchaser. The vessel is accepted by this transfer.
