

## 6.2. Operational Use

### Participating Teams

IFPCs and RHs must follow the indications to show the official team names, arena names, cities, and official team logos during the broadcasts.

(See Appendix T)

### Referee Names

Before the start of each season, the Company will provide to each IFPC the correct and complete list of the official name and logo of each EuroLeague and EuroCup club. Without exception, all graphics, verbal references by the commentators and other references to each club must utilise the official name and logo of the EuroLeague and EuroCup clubs

(Appendix R).

All the element graphics and examples will be available from:
